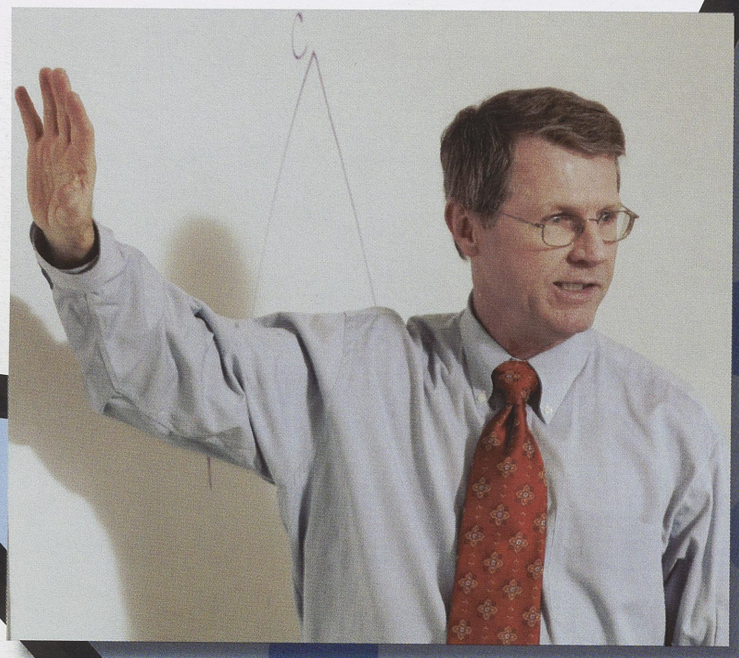
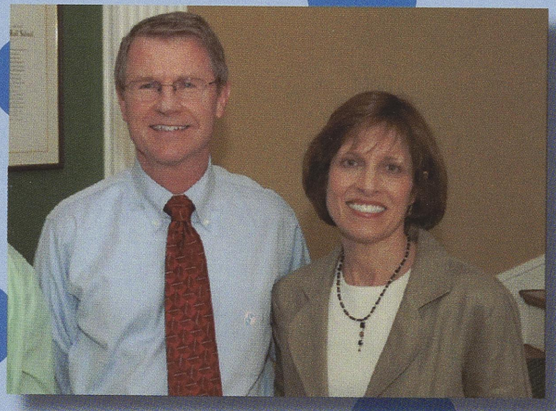
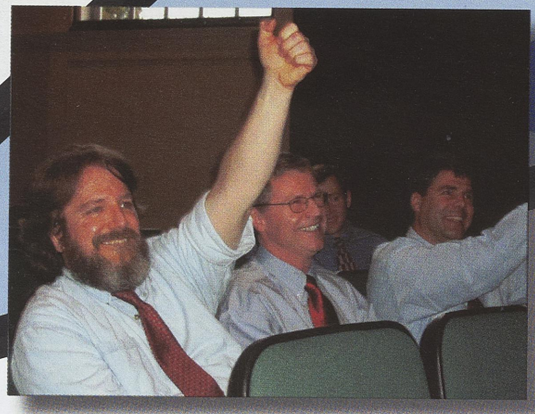
FACULTY DEDICATION



Dr. James P. Cooper

A beloved teacher of Upper School American History and American Government, Dr. Cooper has graced students with his sweet smile for twenty years. This year he was honored with the Owen Chair for Excellence in Teaching as a tribute to the impact he has made on his students. Besides being a vital member of the renowned Male Posse, Dr. Cooper has come to be known throughout the halls for his amiable personality and love for anything historical, especially the Sixties. This yearbook is dedicated to you, Dr. Cooper.





Clockwise from the top: DCoop explains a concept using his infamous visuals, Dr. and Mrs. Cooper, The Male Posse wows the students with their talent during Winterim, Three members of the male posse, F Block American celebrates Dr. Cooper's Owen Chair with a surprise party.

IN LOVING MEMORY OF

Mrs. Dora Savely

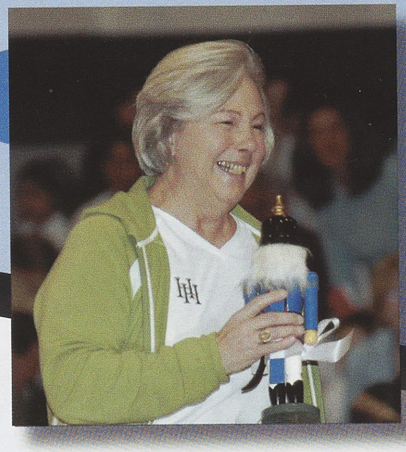
This fall, the entire Harpeth Hall community gathered to mourn Mrs. Savely's passing and to celebrate her life. She was a dedicated member of the dining hall staff and a light to all who enjoyed her delicious meals. A memory book created by the students illustrated countless ways in which Mrs. Savely touched our lives. She was forever smiling and always eager to see her babies walk into the lunch room. She made each girl feel so beautiful and loved. She encouraged us and empowered us with her positive outlook on life, even in her last days. She taught us all to persevere, keep our chins up, and find joy in the simple pleasures of friendship, hugs, and smiles.

We'll miss our RETIRING TEACHERS

Joyce Ward

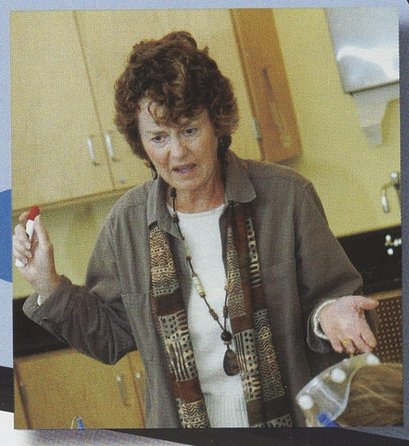
Magistra Ward, a 1960 graduate of Harpeth Hall, served her beloved alma mater for 39 years as a Latin teacher. She has also made an impact on the larger Latin community as she helped build up the Junior Classical League of TN and the annual Latin Convention.

HH Alumna, Katie Hill, and senior Christina Mishu honored Mrs. Ward with an endearing speech and very large good-bye card at an assembly.



Susan Russ

Coach Russ is a master of all things athletic. Over the past 28 years she has worn a variety of hats from P.E. teacher to Varsity Cross Country and Track coach to Athletic Director. As a coach, she has led more teams to the state championships than any other coach in TN, male or female.



Karen Nash

Mrs. Nash taught science in our middle school for 26 years. Her passion for science, as well as for education, is evident. She can plan an experiment down to the second, and even saves time to entertain students with her famous "molecule dance." Eighth grade won't be the same without you!

POP

Dearest Girls,

We're not going to lie. After a few utterly fabulous themes such as games and shoes, it was difficult coming up with a new and innovative theme for the 2006-2007 yearbook. More importantly, how could we beat the sensational spin board and pink crocodile yearbook covers that have protected the treasured memories of the past two years at the Hall? Well. We decided to do the unexpected. A simple cover enclosing bursts of color.

This year's theme is not bound by our closets or the various selection of online games we have on our computers. It has no limits. It can be found anywhere from Harpeth Hall's art studios to the famous Metropolitan Museum of Art, from a Campbell's soup can to Marilyn Monroe. It is bright, thrilling, and can be represented in a myriad of ways.

Harpeth Hall is a symbol of everything women hope and aspire to be. Whether it be a historian, artist, dancer, pole vaulter, lawyer, diplomat, French ambassador, poet, rocket scientist, or the editor of the best book that was ever published. Wait, the Milestones editors already have that last one covered ;) The point being, we wanted the yearbook theme to embody what we care about most, Harpeth Hall as a school and the Harpeth Hall community. Both are limitless, awe-inspiring, cheerful, and just plain awesome. They both can even be overwhelming, kind of like the time you had three tests and a quiz on the same day. Seriously, this theme is perfect.

WE HOPE YOU LIKE IT!

Just like a Harpeth Hall student is undefinable, this year's theme is as well. What is it? It is POP ART. Pop art is one of the major movements of the twentieth century. Just as you are breaking down doors and finding new ways of entry into any challenge the world may chuck at you, pop art has slowly but surely become an integral part of the art world today, not without difficulties and protests along the way.

The Harpeth Hall yearbook is yet another outlet for expression. Editors are given the privilege of capturing and expressing the events that occurred over the past year. What better way to express ourselves than through a budding, unconventional art form that is metaphorically similar to Harpeth Hall? Yes, the student body wearing the same thing every day isn't exactly unconventional. But within the plaid mass exists personality traits and hidden talents that are unconventional and unique.

We, the editors, truly hope you enjoy the 2006-2007 Harpeth Hall Milestones. So go ahead, we know you've been waiting, pop in!

Sincerely,

Your Milestones Editors

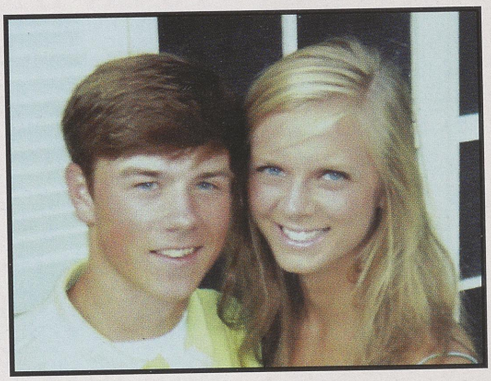
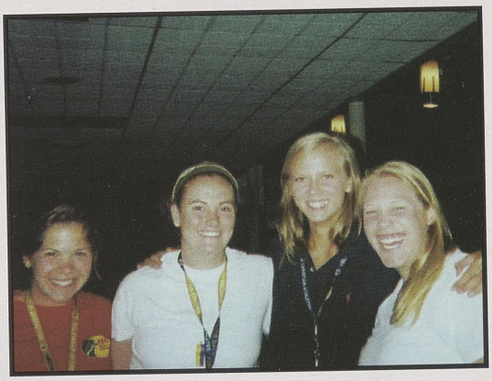
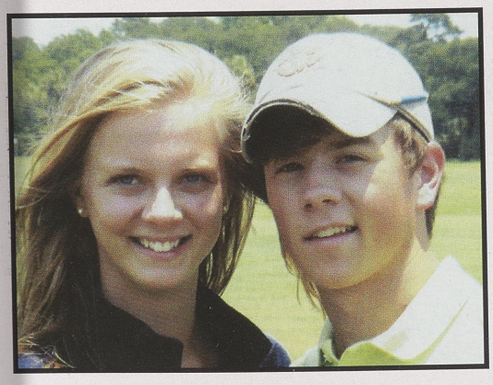
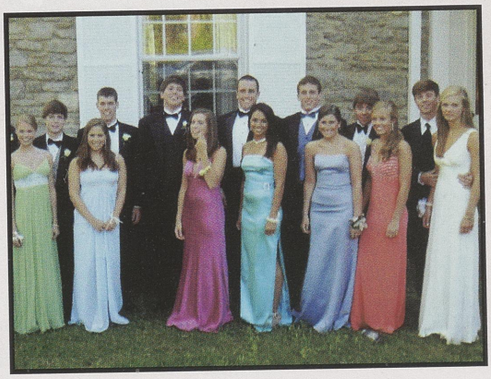
Mom, Dad, Luke- I can't begin to thank y'all enough for your unfailing love. It is going to be so hard being away from you next year, but I know you will be there when I need support or advice. I love you all more than you'll ever know.

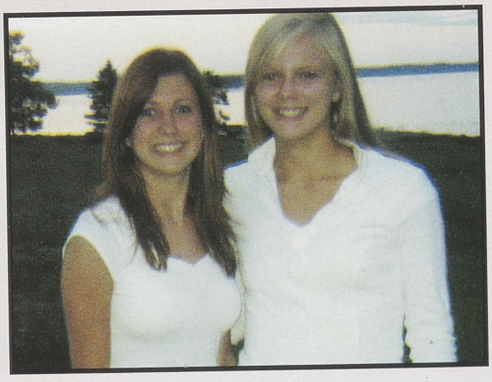
Jeff- Thank you for being my best friend and so much more. God has a plan for us! I love you.

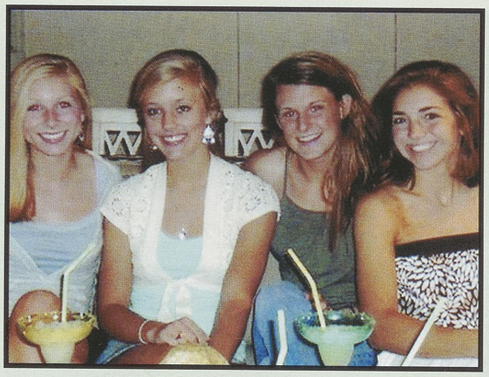


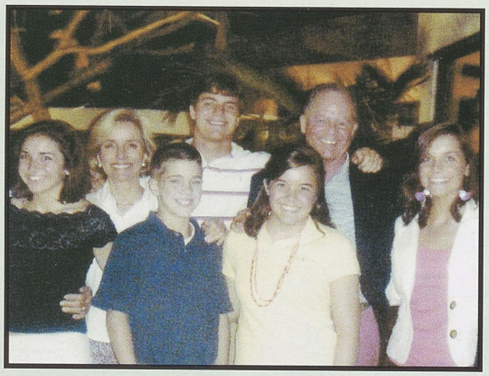


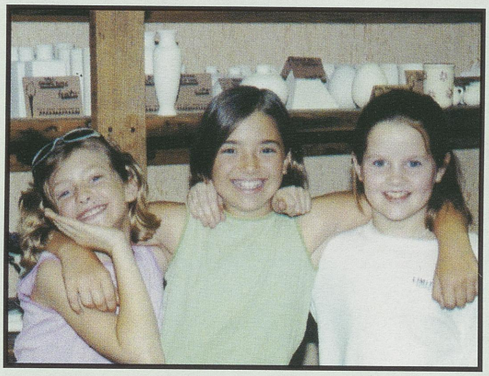


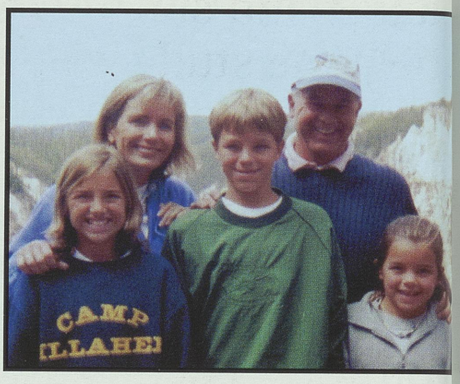










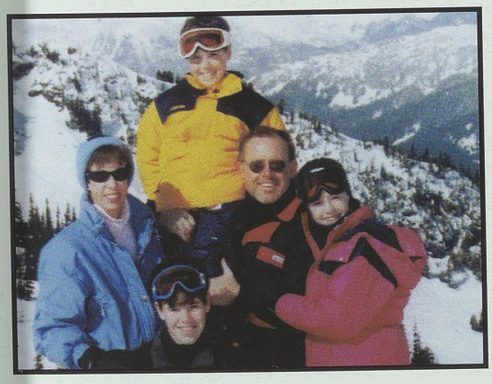


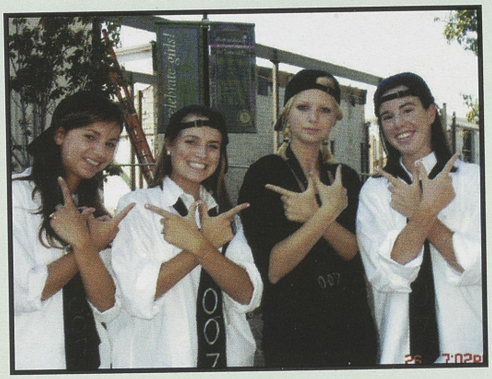
To my family, thank you for all your love, laughs, and support through the years.
To my friends, I cannot believe we have made it this far! I cherish every second I have spent with each of you. I could never say thank you enough for everything you have taught me about myself and life. You will always be in my heart no matter how many states away. I love you!
To the class of '07, chase those dreams!

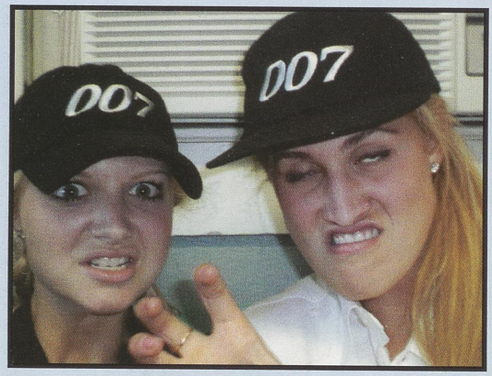
Diana Beckner

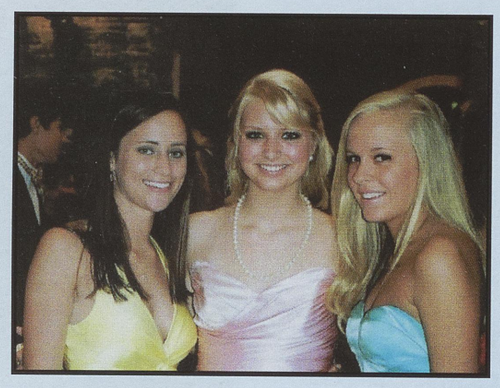
Murray Benson

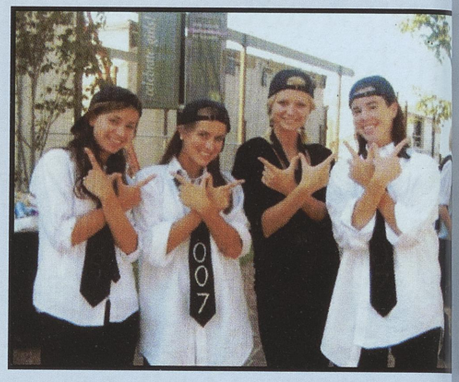
To my family, I cannot thank y'all enough for all you have done for me. I appreciate everything from making me laugh and staying up late to help me study, to being at every one of my cross country meets. I love y'all more than anything. To my friends, y'all are the greatest. Thanks for the laughs, memories, and support. I will never forget these past four years with y'all. Thanks for everything!











Mommy- I don't know what I'll do next year without you. Thanks for everything. Take care of my sons. Dad- Thanks for knowing how to make me laugh (sometimes) and for always staying involved in my life. I might actually miss you always hovering over me. Brad- Thanks so much for all the help and advice you've given to me. NICE! Liz- Good luck being the only child! To my friends- I'm going to miss y'all so much! Love you guys!

Addie Boston

Clare Brooks

Thank you so, so much to my friends and family for making the past four years amazing. I love y'all more than anything, and I don't know what I will do next year without you. So much fun, so many memories. I know our friendships will last forever no matter how far apart we are next year!

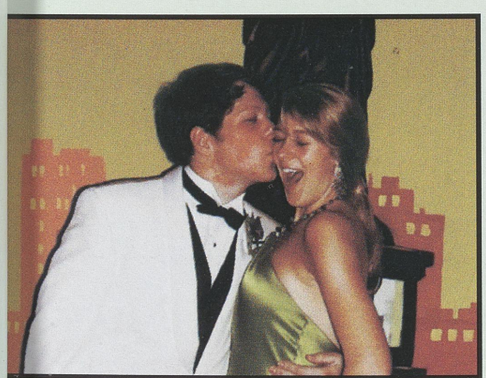
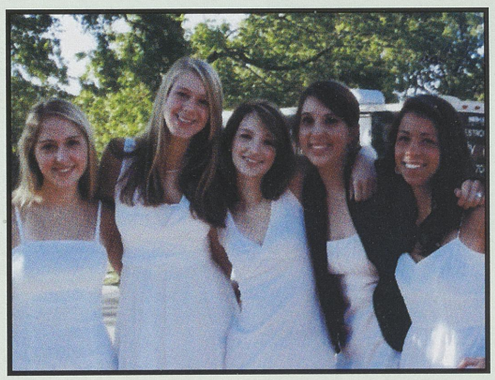
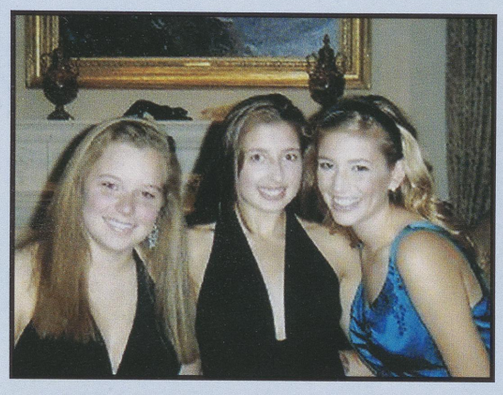
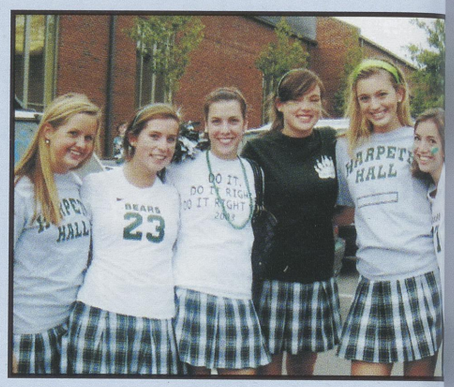
Thanks so much to my parents, Will, my family, and all of my friends for being by my side every step of the way. Thanks for helping me through those stressful moments and for making some awesome memories. My time at Harpeth Hall has been so much fun, and my high school years wouldn't have been nearly as amazing if y'all had not been there with me. I love you all so much!









Thank you to my friends, family and teachers. To the basketball and volleyball girls- so many hours spent in Morrison! Thank you for keeping me sane. To the class of 2007- thank you for making me laugh, for helping me, gossip in the senior house and for food in advisory. Thanks for everything. You all were Harpeth Hall.

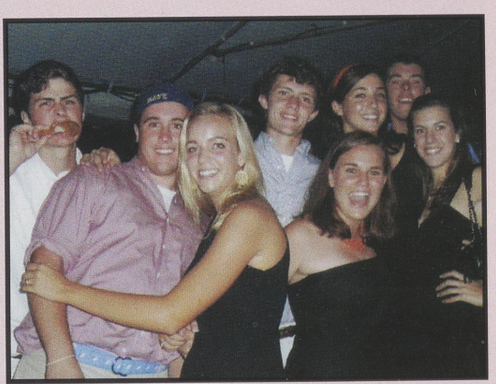
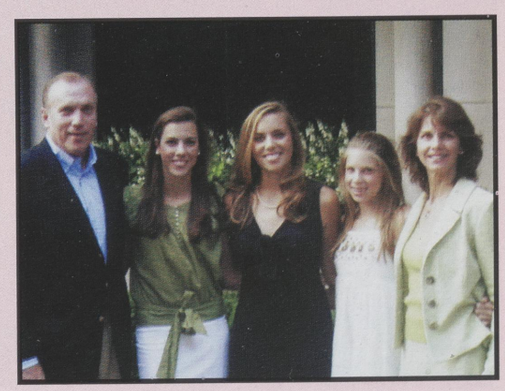
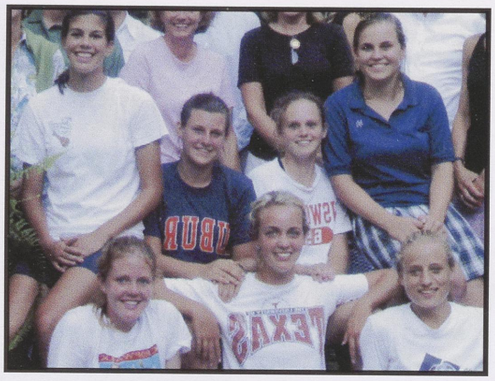
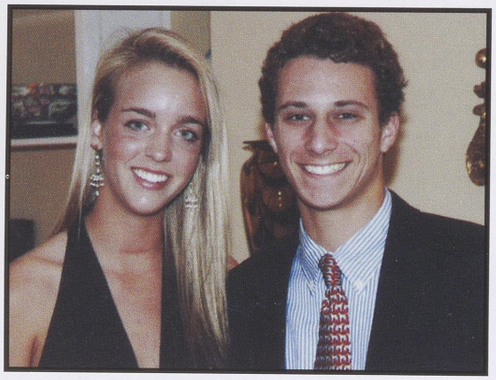
To my family, thank you for all of the kindness and love you have given me, for always believing in me, and always encouraging and loving me. To my sisters, thank you for all the fun that we've had together, and for all the memories I will never forget. To all my friends, these past four years wouldn't have been the same without y'all, thanks for the memories and the fun. I love you all!









To my family: Thank you for shaping me into the person I am today. I wouldn't have been able to make it through everything if it weren't for your support and your enthusiasm. To my friends: We've been through it all—both the good and the bad. I'll always cherish the memories we've had together. Thanks for a great four years. Chris: You've been there for me ever since I can remember, and I love you for it.

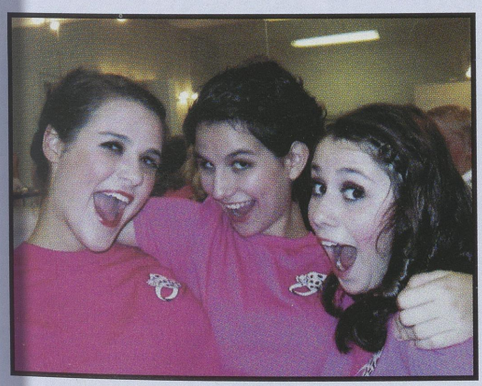
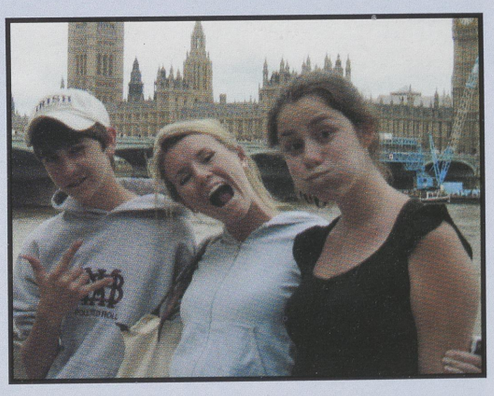
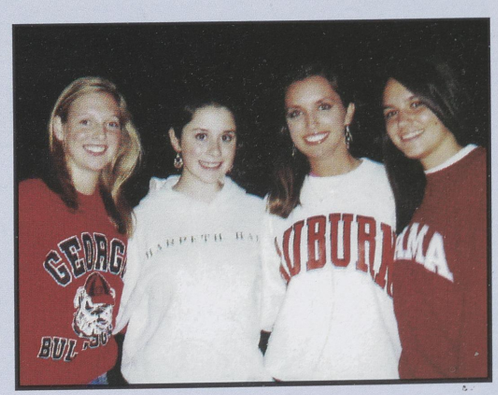
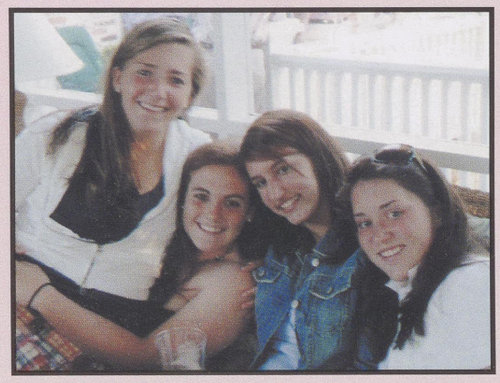
From saddle oxfords to the senior house, we made it! The journey has taken 8 long years of tests, quizzes and homework, but it has all been worth it because, in return, my days at Harpeth Hall have given me more happy memories than I could have ever imagined. Thanks to my teachers, friends and family for keeping me laughing. I couldn't have done it without you.









Thank you mom, dad, Grant, Caroline & Brian, Katie & Reid, and Michael for everything that you have done for me these past 18 years. You have been there for me every step of the way and I thank you for that. To my Girls~ you have made high school great and mean the world to me! Thanks for always giving me a good laugh, smile, or cry when I needed it the most. I love you all, thanks for everything, and good luck next year!!

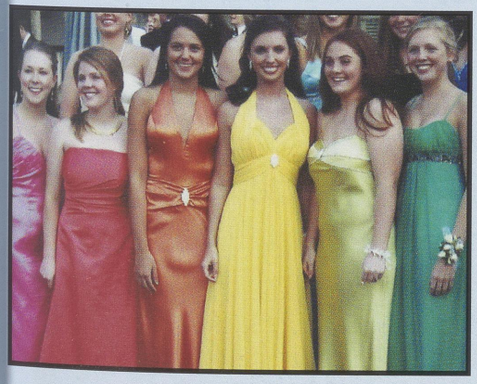
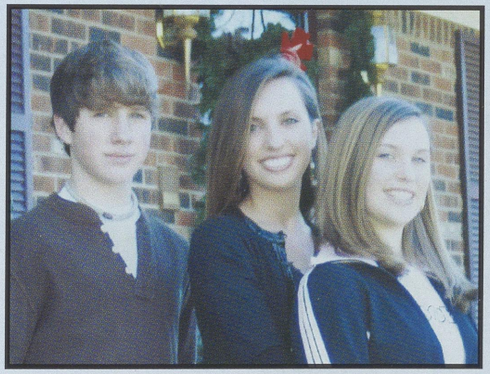
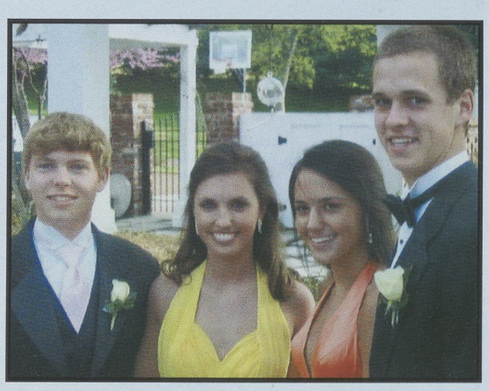
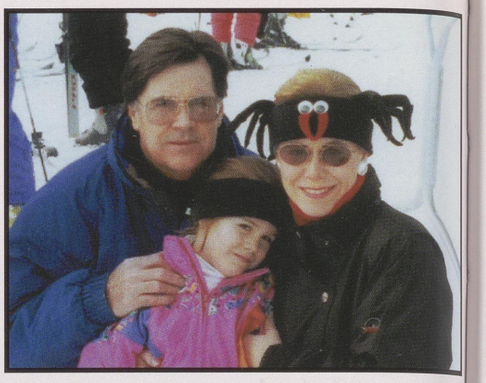
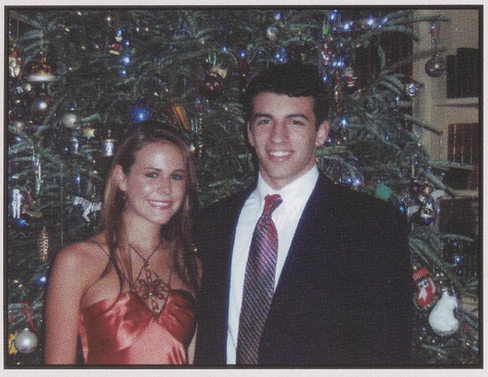
First of all, I want to thank God for all of the blessings in my life. Mom, Daddy, Austin, and Paige: I couldn't have asked for anything more. Thanks for loving me when I didn't deserve it. My friends: You girls have made these the best years of my life, and I cannot imagine life without you! Josh: Thank you for being my best friend when I needed you the most. I love you all!











Mom and Daddy, thanks for your never-ending love and support. I respect and love y'all more than you can imagine. Mollie, thanks for being the sister-I-never had and my best friend. My six girls, thanks for all the memories, laughs, and fun times…I'm going to miss y'all next year, but this is far from "the end of us"! Chris, thanks for always being there for me whether I deserved it or not; you have made me a better person and I wouldn't trade anything for our times together!

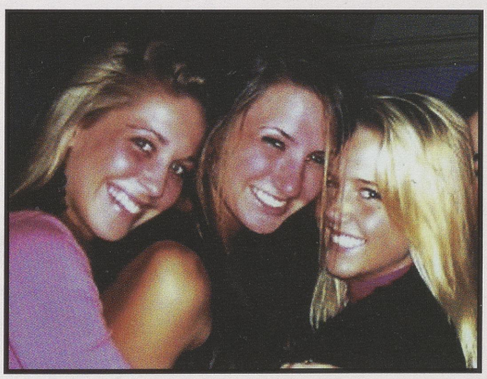
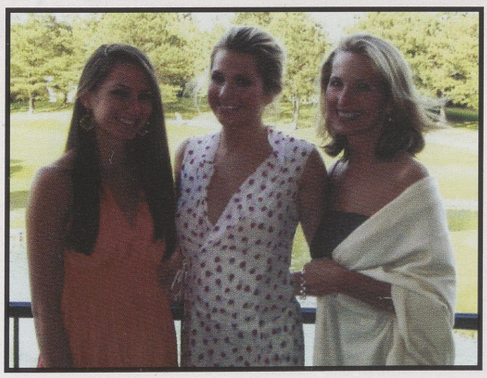
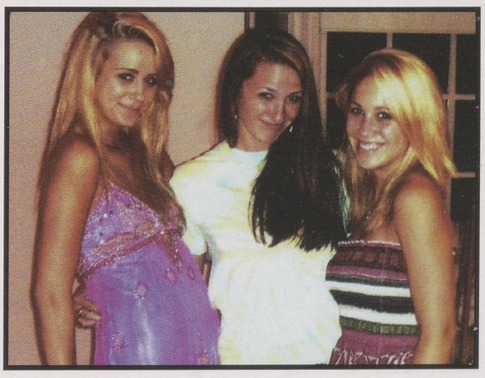
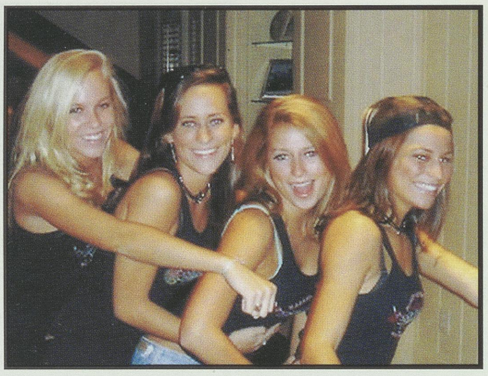
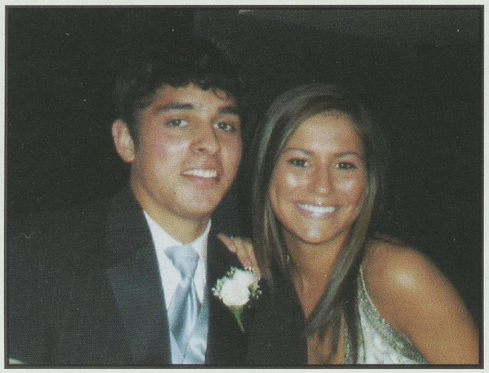
To Mama, Daddy, and Talya, you have been my rock. Words cannot describe how much you mean to me. I don't know what I would do without such wonderful examples in my life. Get ready for the laugh/cry! To my girls, each one of you is so beautiful and so amazing. I am so lucky to have you in my life! Don't forget about our trip to L.A. this summer and every summer after that.

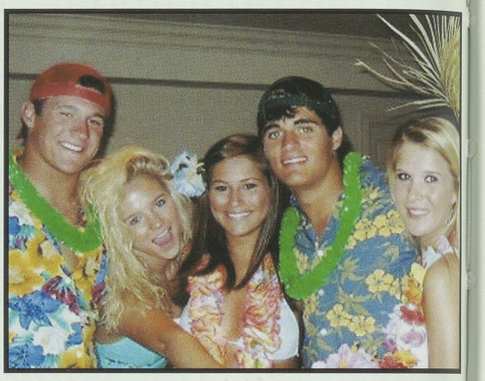












I love my friends. I love my family. Each and every one of you I need to thank for shaping me into the person I am today. You, too, Ben. Without you all, I would not be whole. I'll miss ya'll next year, but I know we will forever stay in touch!

I just want to thank everyone who has been a part of my life the past 18 years. Thanks for making me laugh, helping me learn, and helping me to grow up. So, thank you to my fabulous friends and my loving family, thank you to my teachers and my church, First Presbyterian, and thank you to anyone else who has been involved! I couldn't have made it this far without y'all.

I have been blessed to wake up everyday to my beautiful family. Now I leave to start my adulthood with lessons gained from Harpeth Hall. Love will be my guiding light. Love bestowed by God and received through my family, friends and around every corner of Harpeth Hall. Thank You. I am truly a part of all whom I have met.

God, thank you for all my blessings. Thanks to my family and friends who have always stuck by my side. Diane, SIS, we made it, I LOVE YOU! Jessica, since kindergarten, you know we can make it through anything! To my two little sisters, Markisha and Breia, I love you, and I am so very proud of you. I'd like to thank the entire Harpeth Hall community for everything. I LOVE YOU AND I WILL MISS YOU!

Thank you to everyone who helped me grow up. Ruth and Octavia, I love you like sisters. Thanks for your constant friendship & advice. Will, thank you for taking care of me. I love you with all of my heart. Thanks to my huge, crazy, loud family for always being there and reminding me to be true to who I am. Life would be quite boring without all of you. Girls, thanks for the friendship, the laughs, and the memories.
I'll miss you!

To my family: Mom, thanks for always listening to me and giving me advice on anything and everything. Dad, thanks for the humor that, most of the time, only we understand. Dedre, thanks for always believing in me and making me laugh through the good and bad. Katie, thanks for being one person I can look to and know everything will be okay. To my friends: Thanks for the laughter, randomness, and amazing times.

Middle School Musical

The middle school musical this year was *Honk, Jr.*, an award-winning comedy which has been performed both in New York City and London's West End. The lead role of the Ugly Duckling was performed by Claire Perrone, his mother Ida was Parker Davis, and his rakish father was played by Michele Martin. The big numbers included a dance by the entire cast, with a bullfrog and tap dancing froglets, and a snow-storm where the Ugly Duckling magically changed into a swan onstage. It was a wonderful experience for actors and audience alike.

Guys and Dolls

Photos Courtsey of Jim and Ellen Thomas

Our Harpeth Hall playmakers collaborated with MBA this fall to perform the exciting 50's Broadway hit *Guys and Dolls*. The show sold out so fast that an extra performance was added! Directed by Cal Fuller, produced by Janette Fox Klocko, and choreographed by Stephanie Hamilton, this Frank Loessers classical musical was lively fun.

Set in the 1940's on the streets of New York City, Sky Masterson, played by Schott Schwartz, bets his friend Nathan Detroit (Chase Altenbern) that he can make any doll fall for him. What the gambler did not expect, however, was for Nathan to choose strict missonary Sarah Brown, played by Stephanie Rothenberg.

Filled with laughs and some flashy dnacing from Adelaide (Becca Hill) and her Hot Box Girls, Guys and Dolls was an incredible hit!

The Rivals

Photos Courtesy of Jim and Ellen Thomas

Richard Brinsley Sheridan's *The Rivals* is a delightful romantic comedy set in 18th Century England. Lydia Languish, a beautiful girl who has read too many romantic novels, falls in love with Beverly, an ensign whom her domineering aunt, Mrs. Malaprop loathes. The plot twists when Beverly is actually the wealthy Captain Jack Absolute, whom Lydia is supposed to marry. With a colorful cast composed of mischievous maids and country squires, this show will be remembered for years to come. The Rivals was directed by Harpeth Hall's very own Janette Fox Klocko.

Almost Maine

"I think I just fell in love with you!"

Photos Courtsey of Jim and Ellen Thomas

Everyone who came to see *Almost Maine* will probably all say the same thing, "We fell in love with it!" Filled with cute vignettes, this play was funny, touching and heart-warming all at once. The play was set in a small town called Almost, Maine in the most northern part of the state. All of the vignettes take place at 9:00 at night right before the Northern Lights appear. Playwright John Cariani feels like the Northern Lights make people do and feel funny things, which is the reason all of these stories happen when the Northern Lights appear. This play appealed to everyone, young and old, men and women. It was one of everyone's favorite Harpeth Hall plays this year!

One Night Only

The annual student directed One Acts are a time for the advanced theatre students to showcase their talent in the field of directing. Each show is produced, cast, teched and directed by an Advanced Theatre Student. It is a very challenging process, but the final product is well worth it. Many students and faculty of the Harpeth Hall community enjoy attending the "One Night Only" One Acts for an evening of relaxing theatre. Anna Rose Heyman directed an act called "Sorry, Wrong Number." It was about an old woman, played by Grace Douglas, who intercepts a strange phone call and realizes it is a plot for murder. Sarah Peacock directed an act called "Do Not Collect $200." James Joyce, Joseph Stalin, Adolph Hitler and Napoleon were featured playing a game of Monopoly in this act. Haily Joyce directed an act called "Don't Pick Up." Mary Hampton Elam played a young woman who walks into a book store planning on stealing a book and makes friends with the store clerk instead. Willa Fitzgerald directed an act called "Its Not You." In this act Carolyn Murdock and Morey Hill played a young couple who decide their current best friend just isn't cutting it. These acts were funny, thoughtful and not to be missed!

AP Art Show

This year, the seniors in AP Art worked on their AP portfolios all year. At the end of the year, they put together an amazing spring show, which displayed their hard work, dedication and extraordinary talent. Their task was to create a themed portfolio throughout the year and produce multiple artworks that would represent their concentration. Kate Jacques, one of the very talented artists, composed a portfolio with the theme of the Seven Deadly Sins. In each piece of work, she created a scene which portrayed one of the sins and used a color that represented an emotion triggered by the sin. Claire Moll produced a wonderful portfolio that showed her true love for Miami culture and the diversity of the people there. Caroline Hallemann put together a portfolio which portrayed important women in the Bible. Other themes included Alfred Hitchcock films, stress, friends, family members and exotic destinations. Their beautiful and thoughtful work truly impressed all who attended. Harpeth Hall is proud to have such a talented group of artists. Congratulations to all of the seniors and their beloved teacher, Mrs. Paschall, on putting together a very successful show!

Art & Photo Show

The Art and Photo Show this spring was spectacular! Each and every art student demonstrated their immense artistic talent in this exhibit. This year, Art I and II students worked on such projects as still life paintings, carving elements of nature into ceramic tiles, linoleum block prints, and mixed-media self portraits. In Art III, students worked with charcoal and oil pastel, and they learned how to make etchings. Sarah Hollis won an award for her fantastic linoleum block print this year. Girls in the Photography classes made their own pinhole cameras this year and actually took pictures with them! They also made many black and white prints. Media Arts generated interesting projects as well. Barbara Pritchett, a Senior Media Arts student, says, "The Media Arts projects for the art show were incredible! Claire Brooks designed a "Carrie Underwood-esque" concert poster using a picture of Brooke Worthington. I am continually amazed by the amount of talent produced from my classmates and even myself!" Congratulations to all the girls who were featured in this amazing Art Show!

A Year full of Musical Celebration

The Upper and Middle Schools had many performances on and off campus this year. The Upper School had the privilege of singing before the Rockettes this year. On top of that, the Harpeth Hall choir celebrated Christmas at the governor's office by singing a number of Christmas carols. A concert was also performed consisting of the Upper and Middle School orchestras and choirs along with the Lads in Plaid, chamber choir, and concert choir. For the winter concert, the orchestra had an American themed concert playing a wide variety of American music, ending the concert with "Themes from the New World Symphony" by Dvorak. The Upper School Winter Concert took place in the Gallery, which was decorated with flowers, lights, and votive candles.

The Middle School Concert was also a huge success. The music included songs from many different cultures. The evening closed with the choirs and the audience combined singing "Night of Silence" accompanied by the orchestra, a Harpeth Hall tradition.

Dancing Homey Bears!

Under the leadership of twelve seniors, Harpeth Hall marked the 30th anniversary of the Dance Concert. The theme was "Turn Back" celebrating the past thirty years of dance concerts. The show featured modern, ballet, jazz and tap. Also included is the fairly new hip-hop dance company, a crowd favorite. Act I featured some of Elvis' greatest hits, and Act II included a mixed collection of songs. The Dance Concert brought together girls from the 5th through 12th grades. Both the Upper and Middle School dancers worked tirelessly in preparation for this special concert, and all of their hard work paid off. The Fall Dance Concert was a great success!

Celebrating 30 years!

The Harpeth Hall Dance Companies celebrated a thirty year milestone this year. Both Fall and Spring concerts were retrospective tributes.The Fall concert was highlighted with a complete first act of music by Elvis. The Spring concert was our biggest ever, with several seminal dances from former years augmented by other recent shorter dances. It was brought to a energetic conclusion with a medley of popular dances called "Celebrate Dance!"

Choreographers included former teachers and students such as Mary Arwen, (Class of 1996), Tina Cowlyn (Class of 1983), Amy Hamilton-Thibert (Class of 1992), Leslie Matthews, and Naomi Limor Sedek (Class of 1992). Dance Company teachers, Emily Cummings, Stephanie Hamilton, Jennifer Harwell, Sabrina Johnson Turner, and Joyce Smith were proud of the more than one hundred students who participated throughout the year with two fabulous shows.

STRIKE! Upper School BOWLING

The Bowling Bears had a great season! The team was lead by Mrs. Jennifer Cox, who was an amazing coach. The bowling team statistics showed how determined they were as a team. Taylor Fettroll, Addie Boston, Mary Olivia Mullin, Allie Kirkpatrick and Lindsay Rollins were a great group of senior girls who lead their team during an amazing season! The team's first match was against Father Ryan High school and they dominated with a score of 23 to 4. Senior Mary Olivia Mullin scored the highest score in the history of Harpeth Hall Bowling. She bowled a 199 in the final game of the regular season against Battle Ground Academy. The team's season ended with 10 wins and 5 losses. Throughout the season, the girls learned how to improve their bowling skills. At the end of the season two seniors, Allie Kirkpatrick and Addie Boston, bowled in the State Individual Championship. It was a great season for the Honey Bears!

Both the middle and upper school golf teams had great seasons this year. Senior member Sarah Hollis led her team to another season of victories. Even though it was a small team, they still had lots of fun. When discussing memories for this season, Sarah Hollis states, " My favorite memory this year was going to state for the last time. I love seeing and playing with all of the girls that I have met in various other golf tournaments. It is so much fun getting to represent Harpeth Hall among all of the other schools at state." It was a great season, one that made Harpeth Hall proud.

Sarah Hollis will continue to play golf in college, but she is very proud that she has represented the Harpeth Hall School for so long. This year's upper school golf team won six matches, lost zero and only tied once to Pope John Paul II. It was an amazing season!

The Middle School also had a great season, playing really well. With the varsity team having four wins and two losses and the JV team winning two matches and losing one, the middle school golf team has made a great reputation for the Harpeth Hall School as being a strong, succesful team.

The Harpeth Hall Middle School volleyball teams had a season filled with excitement and fun. There were three separate middle school teams: Varsity, Junior Varsity, and B team. The Varsity, coached by Martha Ross, worked hard all year to improve their court skills, and their hard work showed during their games. They all agree that their best matches were against Woodland Middle School and Brentwood Middle School. The Honey Bears worked terrifically as a team by having fun, working hard, and most importantly, having faith in each other. When Suzanne Gill was asked what she will miss most about the team, she mentioned "the energy and fun that everyone gives at practice and in games." Other girls noted "the closeness" and "how everyone was friends on the team." The Junior Varsity was coached by Armistead Wilson. These girls were very supportive of each other throughout the season, making them a strong, well-rounded team. The Middle School B team was coached by Catherine Armwood. With amazing serves, incredible hits, solid blocks and enthusiastic team mates, who could ask for a better season?

The Harpeth Hall Upper School Volleyball team started out their season in Seaside, Florida. After a week-long vacation, the Bears were ready to start winning. Many expected this to be a rebuilding year for the team. However, the girls defied this expectation early in the season by easily defeating an improved St. Cecilia and challenging Father Ryan to a last game of 25-20. By competing in difficult tournaments in Louisville and Atlanta, both consisting of some of the best teams in the nation, the players remained capable of maintaining their high level of play. The Honeybears spiked their way to third in the region, only losing to Battle Ground Academy and Father Ryan. Setter Sarah Zimmerman and libero English Taylor received All-Region honors. At the 2006 TSSAA State Championships, the team made it all the way to the semi-finals, defeating both St. Benedict and Girls Preparatory School. In the highly anticipated semi-final match, the Bears faced long-time, hometown rival Father Ryan. The Irish claimed victory in the first game, but the Honeybears fought back the second game, ripping all hopes of triumph away from their opposition. With the score tied 1-1, the next two games would determine if another State Championship plaque would be placed in the halls of Morrison Gymnasium. Unfortunately, Father Ryan reached 25 points first, but the Bears refused to be left in the dust, giving the Irish a run for their money. Junior middle hitter Lacy Magee received All-State honors. With an overall record of 18-9, this supposed "rebuilding year" for the Bears turned out to be yet another successful season filled with perfect digs, sets, and spikes.

WOOSH! Middle School CROSS COUNTRY

The Middle School Cross Country team had an amazing season this year with Andrew Martelle, Chrissy Harper and Stephanie Romary leading the way. Here are a few comments from Andrew Martelle about the 2006 Cross Country season. "There was a great crowd on hand to watch the middle school Cross Country team come in a close second to Ensworth at the Vaughn's Creek course in the championship meet. There was an excitement in the air and the girls ran great!" Kate Wiseman led the Bears with a stunning 9:13 2nd place finish followed closely by Alden Patterson at 9:15 in 3rd place! Madison Longmire came on strong to finish in 6th place with her personal best of 9:34. Caroline Maloy finished hard in 15th place with her personal best of 10:03 followed by Isabel Concepcion in 20th place with her personal best of 10:09! The Tigers edged HH with a final score of 40-45. Congratulations to the whole team on a very successful 15-2 season!

This year's Cross Country season was filled with hard workouts, fun team activities, and traditions. Although the workouts were tough, the most memorable part of being on the team was participating in Cross Country camp, senior work out day, Regions slumber party, team breakfasts, and the haunted house. Memorable meets this season occured in Alabama, such as the Great American Race in Hoover. Cross Country is a sport of dedication and hard work. This year there was a new time cut off that required girls to run three miles in under 27 minutes. Many of the girls worked hard throughout the season to acheive this goal. It brought even more drive to the committed team. The team grew closer together as they each strived towards this common goal. One team member commented on the season by saying, "Our sport is the hardest of them all. We have no time outs, no 2-minute warnings, and certainly no half-time. We're a team, but it is very much an individual sport." Two new coaches, Dr. Jack Henderson and Kimberly Brown, joined Coach Russ in leading the team to winning the Region championship and receiving second place in the State championship. The Varsity Bears won Regions with seven girls in the top fifteen, and the JV Bears won Regions led by freshman Caroline Aston, who came in second place. This year's team earned the title of 2006 TSSAA Division II State Runner-Up. The team was lead by a great group of ten seniors. With the leadership from the seniors and the coaches the team had an overall successful season.

The Middle School Varsity and JV soccer teams both had great seasons this year! The teams were coached by Kyle Jackson, Kaitlyn Becker, Megan Becker and Lynn Peck. The Varsity Bears finished the regular season with a winning record of 4-3-2, and the JV Bears finished with a record of 4-2-0. Coaches Jackson and Becker were extremely proud of how the girls continued to improve each game. "Coming down the stretch we only lost one of our final five games," commented Coach Jackson. "I think that really shows the heart of this team and how much they fought for every game. We have a lot of good, young talent coming up and we expect to continue improving next season." The highlight of the season was when the Bears beat Ensworth 2-1 in the second home game. One player commented, "The energy in the crowd was amazing, and it thrilled me to know that we had this kind of support here at Harpeth Hall." Congratulations on a successful season, and good luck next year!

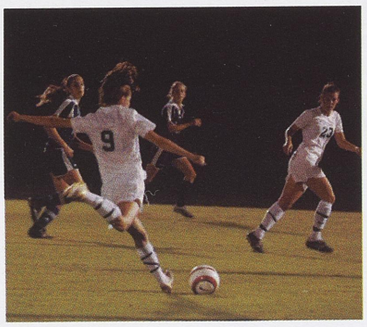
KICK! Upper School SOCCER

Obvioulsy making it to state was a highlight of the season, not to mention beating Father Ryan in the same game.



The confidence that the team developed as the season progressed was very fun to watch. They went from being afraid to play the top teams at the start of the season, to believing they were just as good as anyone else by the end of the season. This was so encouraging.

In just one soccer season, these girls have really learned how to deal with the ups and downs of life. Some of the very young talent seemed unscathed by the pressure, and the leadership that was brought from the seniors contributed to the success in the post-season.

The bears had tons of fun beginning at the start of two-a-days in July until their trip to state in October.

These girls grew closer together, became more confident in themselves, and began to believe that anything is possible, and that's all one can ask for.

The little cubs of basketball had a blast once again this year. Under the leadership of coaches Mary Siefker (A-team) and Ray West (B-team), both teams learned the importance of hard work, team work and having fun.

About the A-team's exciting victory over St. Matthew's, Coach Siefker says, "The Honey Bears were once again in their 2/3 zone that worked well against the Lions squad and allowed the Lions to score only two points in the first half, bringing the halftime score to 3-2. In the second half, the Bears came out ready to play and Alex Thornton sank two great baskets, but the Lions answered with two baskets of their own. Harpeth Hall only had a one point lead going into the fourth quarter. The Lions scored again to put them up, but Hope Herline divided the defense and drove down the middle to add two more points to put the Bears up by one. They were able to keep their cool down the stretch with Alex scoring again to put the bears up by three. The Lions tried to shoot a couple of three pointers, but missed, and with seconds left in the game, Liza Southwick had a fast break to add two more points and clinched the win at 13-8."

"The Honeybears pulled out a squeaker against the BGA A-team on Thursday night," says HH B-team Coach West. "The game started quickly for the bears with Allison Holland hitting three baskets in the first period. Harpeth Hall kept it close but trailed at the half. Defense from Deary Brooks, Ellie Beahm and Alyssa Shofner helped pull the score even at the end of the third period. The score was tied at the end of regulation and the game went into overtime. A 14-14 tie at the end of overtime play pushed the game to sudden death. Julia Pair played great defense during the O.T. and sudden death. Both teams were fighting for the ball and the players were exhausted. Wallen Dean drove to the basket and scored the final points to bring home the Honeybears 5th win of the year with a final score of 16-14. The fans rushed the court at the end of the game."

Middle School BASKETBALL

"1-2-3...Three G's!"
The 2006-2007 Middle School basketball team had to deal with a major change this season! It was a positive change for sure, but a change nontheless. Coach Martha Ross had triplets a few games into the season, and the team had to adjust to a new coach and a new system of play. Not an easy task!
The arrival of Gabby, Gracie and Griff to the Ross home gave the team all the inspiration they needed for the rest of the season. They decided unanimously to hold up three fingers at each huddle and yell, "Three G's!" to inspire themselves and give a shout of support to Coach Ross and her three angels.
And they did play inspired! The team finished with a 14-5 record and were HVAC runners-up! Key wins this season included Brentwood Academy, Page Middle and Overbrook School.

DUNK! Upper School BASKETBALL

The Harpeth Hall Bears started the season off with only one senior, Eileen Campbell, and many new names on the starting roster, but this never fazed them. From day one the "Lucky 13" were determined to make this season a memorable one. And that is exactly what they did. Early in the season the Bears had two major wins beating a couple of their biggest rivals, Father Ryan and Brentwood Academy. As other Harpeth Hall girls were settling into a relaxing Christmas break, the basketball team was off to Phoenix, Arizona for the Nike Invitational tournament where they played really well and improved greatly. After many more hours in the gym and Winterim beginning, the bears continued to wow their fans. But they did encounter a few obstacles by suffering some major injuries, including one from each of their team captains. With Eileen Campbell out early in the season for surgery on her hand and Beth Binkley out for most of January and February with a hurt back, the younger Bears learned to find leadership from teammates besides their designated captains. The Bears ended their season fourth in the region, but show great promise for the years to come. The expectations are high for next year as the 12 returning bears prepare and improve throughout the summer and fall for another successful season.

Middle School SWIM & DIVE

The young Bearacudas had an incredible season with **33 Wins** and only 1 Loss. In the first meet of the year, the Bearacudas took first place in every event, claiming a decisive victory over their opponents. They more than doubled the second place score!

At the Excel Invitational, there were a total of 227 middle school athletes representing 33 schools. The Bearacudas came in first place with a total of 77 points, only nine points ahead of the second place team, Woodland Middle.

The last meet of the season, the Southeastern Middle School Championships, were hosted by Baylor in Chattanooga this year. Although it was a long and tiring day, leaving Harpeth Hall at 5:30 a.m. and returning just before 11:00 p.m., the girls did an amazing job. We had several girls make it to the finals and even more who swam personal best times in one or more of their events! The girls came in 2nd place out of the 22 teams that competed!

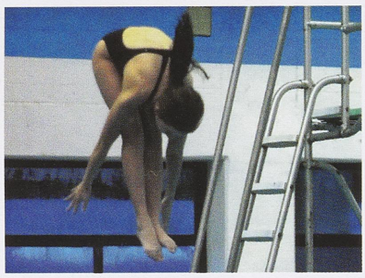
The Upper School Bearacudas ended their season with a splash. Winning the State Swim Meet for the 7th year in a row, the Bearacudas have won more State Meets than any other team competing. Adding to the title, Coach Polly Linden received the Female Coach of the Year Award for the fourth time! Reed Pankey, senior, describes her feelings about this awesome team by saying, "It is great to be a senior because I finally got to be the example of how spirited our team should be. It was a great bonding experience." The fans at State were especially spirited this year, including Polly Linden's nephews, Derrick and Neville.



Also worth noting is the outstanding job the girls did at Regions. Coach Linden writes, "Bearcuda spirit abounded as Harpeth Hall had a record eleven athletes named to the All-Region team. Not only did the Bearacudas successfully defend their title, but they were also named Region Champions for the tenth straight year, outscoring the second place team by an unprecedented 308 points. Individual honors to junior Maddie Garrett who set a new Region record in the 100 butterfly. Congratulations to the entire team for a great meet!"

This was a great season for the Middle School Lacrosse team; they finished off with an 11-2 record. They started off the season with a win against the Knoxville Cheetahs, who had 5 high schoolers on their team. The girls continued to win game after game. On April 21, the girls headed off to the Louisville Jamboree. As coach Lynn Proctor states, "It was a great opportunity to see how the Bears would fare out of state. Despite the exhaustion of the Latin convention, 6th grade trip and travel soccer, we showed them that Harpeth Hall knows how to play lacrosse! We easily defeated our first two opponents from Louisville, but then came the Cincinnati champs Lakota… this was a tight game, in which we lost 6-7. The MS lacrosse team has not lost a game by more than 1 point in 3 years! After this jamboree, the girls went back to winning every game.

In their last game against Harding, which ended in a score of 15-4, Katie Zimmerman and Christine McEvoy both scored 4 times, while Kelly Lassing and Janie Hannon scored 2. Our sometimes defensive Kat Milam, Hope Herline and Meredith Lang all scored a point as well. This concluded an invitational meet in which there were 4 games within 4 nights, which all ended in victory. This finished off a wonderful season in which the girls were undefeated in regular matches!"

Coached by Legare Vest and Aubrey Andre, the Harpeth Hall lacrosse team had an incredible season. Memorable match-ups included a close game against Houston. The game ended in sudden-death with a winning goal for the Honey Bears by Al Geraghty. The Junior Varsity team emerged from their season undefeated, crushing the competition. As for the Varsity team, the season was amazing! With a regular season of fifteen games, the Bears faced only one defeat to an out-of-state team. The State Tournament held a difficult double-header for the team. In the end, the Bears took home the second place title. Next year, the team plans to return even stronger in order to win back the title of Tennessee State Champions!

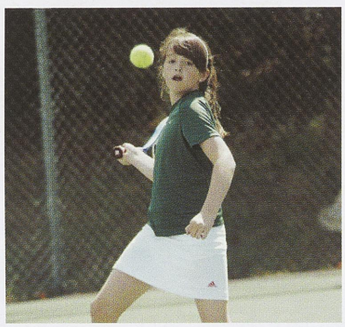
The middle school tennis team had a great season, beginning and ending with victories! In the first match of the season, the Centennial Sportsplex Invitational, Harpeth Hall teamed up with MBA to triumph over three local, coed schools.

One of the most notable mid-season wins for the team was against Lone Oak. Coach Romary described that for the past two years it was one of the coldest Saturdays of the month and Lone Oak fulfilled their reputation of being a powerhouse in tennis. That changed this year. It was a gorgeous Saturday at MBA, and Harpeth Hall was ready to play and win! The team won 8 of their 13 singles matches and all 6 of their doubles matches! Additionally, Lexi Mossman, Kelsea Best and Litton Whitaker played mixed doubles with MBA, which were fun to watch.



A reminder why you should NEVER give up: Claire Johnson and Molly Claybrook were down 2-7 in a pro-set to 8. The girls, tired from long singles matches, did not give up and won their match 9-7!

Another great success for the team was winning their last regular season matches. The team had four matches in one week and everyone played wonderfully! Whether the girls won or lost they played their best and did a great job.

This was a great season for the Harpeth Hall tennis team; they finished their season with only two loses and became District Champions. They began their season with an unusually cold spring, but managed to stay focused during the games. Their second meet was against Ensworth High School, which turned out to be a nail-biting win. A week later we completely usurped Father Ryan with a score of 8 to 0. After these victories the girls seemed to be unstoppable, winning almost every match for the rest of their season. These wins helped the girls bond well as a team, not to mention there were only thirteen girls on the team, making them a close-knit group. Kathleen Catherall states, "Because we had such a small team, we have really bonded this year. Our team is not divided by age like the larger teams may be, but closer. It has been a great experience and I have made many friends, which I hope to keep for years to come." The girls became closer and closer during the end of their season due to so many away meets and bus rides. One of our seniors, Caitlin Anthony states, "It was probably my most memorable year on the team yet. I loved being a senior, and I bonded with all the underclassmen; our wins were just the icing on the cake. I love my team and I will miss them all next year!" The season was finished off with Samantha Lewis placing in singles, while Caitlin Anthony and Kathleen Catherall placed in doubles during the State Tournament. Kearney Gay and Armistead Wilson, our coaches of two years now, led the team to yet another wonderful season.

Middle School SOFTBALL

The softball team experienced many changes at the beginning of the season. With most of their players graduating the year before, no regular practice field, and the introduction of three new coaches, the bears were unsure of what the season might have in store. The first time these bears stepped onto an actual playing field as a team was the day of their first game, but this never discouraged them. It may have taken them a game or two, but as soon the girls experienced that first win against Freedom Middle, there was no stopping them. With lots of hard work and improvement the bears were able to finish the regular season ranked number one. These girls worked really hard all season and that hard work paid off as they beat Ensworth to end up third in the post-season tournament.
Two girls were also named All-Tournament: Katie Garret and Leah McCormick.

The Honey Bear hitters had a great season and performed well in their Region Tournament. It all came together for the softball team during their game against BGA in the first round. Seeded fourth coming out of the regular season, Harpeth Hall met the number five seed, BGA. Having lost a close match-up to BGA a couple of weeks ago, the team was out for a little revenge. They knew what it would take; they would have to hit, and then hit some more.

And hit they did! The Honey bear bats came alive as they combined for ten hits. Juniors Clair Christoferson and Cate Tidwell led the offensive charge, knocking three hits a piece on four at bats while senior Christina Mishu added a couple hits of her own with a single and a triple.

The Honey bear defense was nearly flawless. Freshman catcher Mabry Jackson shut down BGA's running game, putting out a BGA runner on an attempted steal. Pitcher Cate Tidwell, showing excellent ball control, had a nearly perfect game. Over seven innings, she gave up only two hits and one walk while striking out four for the win.

Congratulations to seniors Sally Anne Harrell and Christina Mishu and junior Cate Tidwell for being named to the 2007 Division II All-Region softball team.

This was a great season for the Harpeth Hall 5th and 6th grade track team, who learned a lot about both track and field events. The fifth and sixth grade track team does not compete for wins or losses, but it teaches the girls about the sport at an introductory level. The girls have fun practices where they grow and bond as a team. They were all very eager to learn exactly what it takes to be a great teammate and athlete. All the girls worked really hard to improve in their specific fields whether it be long distance, the high jump, or shot put. This year the girls learned a great deal about spirit and leadership. They learned one of the keys to success in any sport, which is enthusiasm. No matter what the weather, the girls trekked through it. Even when it was cold and rainy they did not give up. When talking about the team Coach Graves states, "One of the most rewarding parts of the team was all the relationships I have gained with the girls and they have gained with one another. This year everyone on the team was notable in some kind of way, whether it be talent, enthusiasm, determination, or spirit. All the girls were awesome!"

Middle School TRACK & FIELD

The Middle School Track team consisted of a whopping 40 seventh and eighth graders, ranging from runners to jumpers to throwers. The team had to adjust to two new coaches this year, Mr. Martelle (Head Coach) and Mrs. Frederick. Both coaches did a great job encouraging the girls and pushing them to do their best.

About the Division AA HVAC championship meet, Coach Martelle said, "The girls ran great and put forth a fantastic effort. Some of the highlights were the third place finish in the 4x800 meter relay, the third place finish in the 4x100 meter relay and the first place in the pole vault, which Margaret McDowell won with a jump of 8'6". In the 4x800, Kate Wiseman anchored the relay running 2:27 and dramatically passing two other teams in the last 200 meters! The other legs of the 4x800 were Allie Obremskey, Caroline Hawkins and Isabel Concepcion. The 4x100 team was Hunter Magee, Rachel Buchanon, Elaina Mishu and Katie Zimmerman.

We had a great season this spring! Thank you to everyone who participated in track this year."

This was another great season on the track team. The girls welcomed new coaches, Jack Henderson and Kimberly Brown, while saying good-bye to their beloved head coach, Susan Russ. Coach Russ has coached the Harpeth Hall Track team for 28 years and led them to victory in 12 state championships.

The success of one particular senior, Gabby Gioia, earned her a spot on the UNC Chapel Hill Track team next year, as well as the Outstanding Female Athlete award at the Mid-South Invitational.

The Varsity Track Team had a great night of competition in a very tough TSSAA State Championship held at MTSU. The Bears rose to the occasion both in the field and on the track and came away with a strong second place finish to become the 2007 TSSAA Division II State Runner-Up. They were second only to GPS. Among the athletes who placed in the state meet were Gabby Gioia (1st in the Pentathlon, triple jump and 300M hurdles, 2nd in 100M hurdles), Morgan McVicker (1st in pole vault), Courtney Vick (2nd in discus), Grace Stumb (4th in 1600M), Elle Delfavero (4th in 400M), Emmy Weikert (5th in pole vault), Kristen Petway (6th in long jump) and Sarah Joy Crouch (6th in 400M). The 4x100, 4x400, and 4x800 teams placed 3rd, 4th and 2nd respectively. Congratulations to everyone for all your hard work and success.

Spirit of Service

Spirit of Service had a very successful year! We kicked off the year with a school-wide assembly in which Father Charles Strobel spoke about the importance of service. One of the biggest projects in the fall was the annual Graffiti Paint Out. Another large project was a Saturday trip to Feed the Children where students helped pack hygiene boxes. Also during the fall semester, we had a clothing, canned food, and toy drive all benefiting local charities. Throughout the year, the money raised through Casual Days went to benefit charities such as The Ronald McDonald House and Invisible Children.

The spring semester was also busy for S.O.S. In coordination with Dr. Gloria White-Hammond's speech, the Upper School had a coin drive to buy school uniforms for girls in Sudan. The Upper School also had a joint project with Montgomery Bell Academy and Ensworth High School, in which they sold flowers and candy for Valentine's Day. This project raised nearly $6,000 for the Arthritis Foundation. Students also participated in Relay for Life (supporting the American Cancer Society), Displace Me (benefiting Invisible Children), and a walk that raised money and awareness for Angelman Syndrome.

Leading Bears!

US and MS Student Council

Student Council has been extremely busy this year, both in the Upper and Middle schools. In the Upper School, student Council has hosted some extraordinarily fun dances, including the Halloween Dance, Eighties Dance, Winterformal, and Singled Out. However, dances were not the only thing the student Council was involved in this year. They concentrated on many community service projects including those benefiting Ronald McDonald House. Also, in our more direct community, the Student Council has shown their thanks and appreciation to the construction workers that worked on the new Hortense Bigalow Ingram Upper School.

The Middle School has been working hard as well. They did many fund raisers including a car wash, multiple clothing drives, and penny drives. They also had a coffee and doughnut stand to raise money for community service projects. Both student councils achieved many great things this year, thanks to the hard working officers.

Ambassadors, Cum Laude & Honor Council

Ambassadors, Honor Council and Cum Laude all represent Harpeth Hall's strive for excellence.

The Cum Laude Society recognizes academic achievement in secondary schools for the purpose of promoting excellence (Areté), justice (Diké) and honor (Timé). On March 7, fifteen students and two faculty members were inducted into the Harpeth Hall Chapter of the Cum Laude Society.

The Honor Council hears cases of Honor Code violations and makes recommendations for appropriate punishments to the Director of the Upper School. Members are chosen based on their honesty, integrity and loyalty by their own classmates each year.

The Harpeth Hall Ambassador Society is a committee of students chosen for their commitment to our School. Club duties include giving tours, hosting receptions and general public relations work within the school and

Milestones 007

The Milestones Staff has had a very successful year. Wednesday meetings are always marked by food, food, more food, a little bit of Adobe InDesign and proofing mixed in, and demanding deadlines. It's a perfect blend of hard work and a good time. Senior editor Allison Dowdle sums it up perfectly, "Milestones is so much fun, a little stressful sometimes, but overall fun." This year's yearbook theme was pop art. Think Andy Warhol, cartoons, and onomatopoeias mixed together. The staff had a blast adding in colorful graphics and tinting pictures to make the pages stand out, or "pop!" This year was a special, or shall we say "milestone" year. The staff welcomed a new sponsor, Mrs. Katie Cowan. Mrs. Cowan is a Middle School art teacher. The staff is incredibly grateful for such a wonderful addition to the publications program at Harpeth Hall. Most students have no idea how much effort goes into putting together an entire yearbook, capturing and recording events starting from Day 1 of the school year. Thanks so much to the entire staff for creating an ever "pop"ular masterpiece that will last a lifetime.

Logos, Hallmmarks, Penstaff

Logos underwent a complete "face lift" this year with a new template. With an almost entirely new staff, new ideas were clearly put in effect, and it looks great! Editor in Chief, Noura Ismail, remembers working late one night during a thunderstorm. "While we were scaring ourselves with the thought of being alone in the school with such bad weather, the electricity suddenly shut off. Screaming in complete darkness, we all huddled into a clump. It wasn't until the lights finally came on a couple minutes later that I found myself in Annie Killian's arms with four other girls at her feet."
Penstaff is responsible for the production of Hallmarks, as well as holding Writer's Society meetings. Bruce Dobie, former editor of the Nashville Scene, was their most recent guest.
Hallmarks is a group of students who publish a literary magazine full of student fiction, non-fiction, poetry, and visual art. They have also added a song writing component to the publication this year as well. Hallmarks editors critique anonymous student submissions and debate and discuss the literary merits of each submission. Sophie Sanders says, "Hallmarks is really fun because we just hang out and get to eat lunch and stuff. It's very relaxed."

Mock Trial Club

Order! Order in the court! The 2006-2007 Mock Trial Team had a fantastic year. The season started right before Winter Break and came to a close after Spring Break. This year forty girls tried out for a spot on the team, the largest number ever. The girls were divided into two teams consisting of both lawyers and witnesses, the Green Team and the Silver Team. This year's case involved a District Attorney accused of intentionally murdering his opposing counsel in the first degree. The members of the Mock Trial team were determined to get to the bottom of the facts and present both sides to the best of their ability. Practices were held daily at the Baker Donelson law firm downtown. The team was coached by attorneys Kristen Bailey and Emily Plotkin. The District Competition took place at the new courthouse. The Silver Team ended up winning Districts, blowing away their usual competition, MBA, Hume Fogg, and USN. Many of the girls returned home early from Spring Break to participate in the State Competition. The Honeybear Mockies did the best Harpeth Hall has ever done in the history of Mock Trial, placing third in the entire state, just one spot away from qualifying for nationals. Watch out Elle Woods, these girls have clearly watched *A Few Good Men* and taken notes. Congratulations on a spectacular season!

Real World & YIG

The Real World Club has been extremely productive this year. Led by president Annie Killian and sponsor Dora Biegl, the club has been acting upon a "3-pronged approach," holding monthly Brown Bag Lunches, numerous forums, and two assemblies. The two assemblies have been especially memorable. The December assembly was entitled DDR, for Dance Dance Revolution, and included different dances which depicted their unique cultures. The Black History Month assembly was celebrated by the talented Fisk Jubilee Singers. The Brown Bag Lunch topics have ranged from "Life as an Amputee" to "Poverty and Education: A Look at Charter Schools." The Club also took a field trip this year to the "Doctors Without Borders" mock refugee camp.

This year, the Youth in Government club has also been an active part of the community. There are two conferences each year that members of YIG participate in. For the Model United Nations conference, seventy girls participated. The Youth Legislature Conference this spring had fifty-four students participating. Ten bills were passed this year from the delegates. Several girls won awards, ending the year with great success!

A Theatrical Year!

Playmakers, Film Club, Techies & Shakespeare Society

What a theatrical year it has been for these clubs! Playmakers put on many performances this year such as *Almost, Maine* and *Guys and Dolls*.
Film Club helped celebrate Valentine's Day by watching *The Notebook*. The club also watched a scary movie for Halloween.
Shakespeare Society has been busy all year long attending many outside productions such as *Macbeth*. A new project this year for the club was putting on a full day dedicated to Shakespeare in April. The day included showing movies by Shakespeare, quotes displayed throughout the halls and cake for all to enjoy!
Lastly, the Tech Club, a new club this year, helped put on shows and set up audio-visual components for assemblies. Due to their efforts, many videos have been shown during assemblies this year to encourage spirit and add creativity.

Knitting, Chess & Cooking

What to do on a Rainy Day

These three clubs all support activities you can do when its raining outside. These are perfect hobbies for those days when all you want to do is curl up and stay home. However, these clubs are not meant for non-active girls! Each one has been incredibly productive this year. The Knitting Club has knitted over 100 scarves and hats that they donated to the Salvation Army over Winter Break. Each recipient got a book along with the scarf or hat given to them. The Knitting Club was also honored this year by being a finalest for the Mary Catherine Strobel Volunteer Group.

Chess Club is a fun and relaxing club where members can enjoy food while learning and playing the game of chess.

The Cooking Club has been creating tasty concontions during their meetings in the Kirkman House.

An Active Year for the Honey Bears!

Fitness, SADD, & Debate Clubs

The Fitness, SADD, and Debate Clubs are all very involved in helping out our community. The Fitness club has participated in many events from the AIDS walk at Centennial Park to their weekly activities within the club. Every week they try to get together to go for a run or even attend a step class. Their president, Cate Tidwell, does a great job with getting everyone active.

Every year the SADD Club, run by Diana Beckner, has a Students Against Drunk Driving Day where they share information about drunk drivers and tie red ribbons on the students' cars.

The Debate Club gets involved by having meetings during lunch to debate and talk about facts that are happening in everyday life. Also their president, Mary Lu Noah, posted different interesting facts in the Daily Announcements to get us all aware about debate. All of these clubs have tons of members and do a great job with getting everyone involved.

International, Environmental & Math Clubs

This year was a year of change for the International and Environmental Clubs. First, all of the language clubs combined to form one big group: the International Club. Some fun activities the club has done this year were celebrating the Chinese New Year and helping host Chinese Vistors.

The science club this year turned into the Environmental Club. The club took on a new focus this year, helping nature and the world around us. For example, the club sponsored an alumunim can drive to help perserve natural resources.

The Math Club drew a crowd on Souby Lawn during the much anticipated annual celebration of Pie Day. Who doesn't love a pie in the face?

STUDENT LIFE

Twist n' Shout

Winter Formal was a welcom home bash after Winterim. With the start of a new semester everyone was ready for a good ole' party. The Student Council put on an awesome event that exceeded all our wildest dreams. Althought it was chilly outside, it was hot on the dance floor. Ann Ralls Niewold along with Hannah Koonce were caught breaking it down, showing off their newest dances moves. The music was booming and the dance floor was hopping. Freshmen enjoyed their first Winter Formal experience, Sophomores enjoyed being able to drive their dates, Juniors learned you don't have to buy a dress when you can borrow a friend's with prom right around the corner, and Seniors enjoyed their last Winter Formal together as a class.

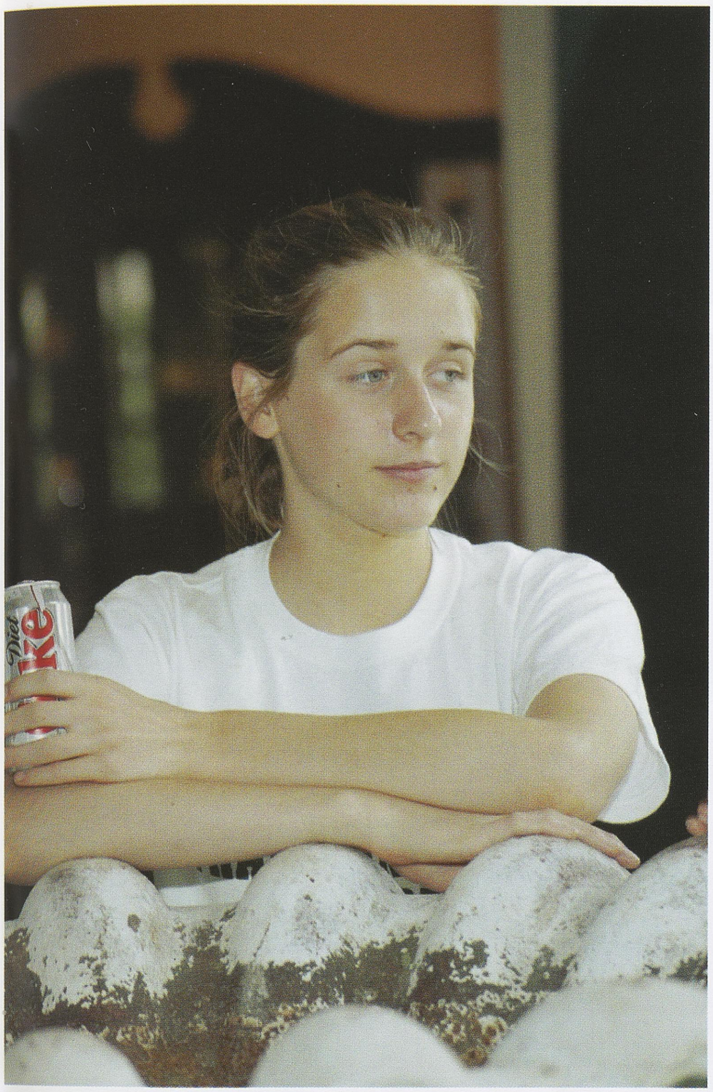
Prom Buildin'



The Prom theme this year was Ever After, adapted from the movie about a Cinderella story. The Juniors spent many hours making it perfect for the Seniors. Ann Ralls Niewold and Erin Brooks were in charge of decorations, and Rachael McKenzie and Megan Turney were in charge of presentation in the gym. The gallery was covered with ivory, lights, and a fountain to make it appear like the garden outside of a castle; while the gym was beautifully turned into the inside of a castle with ivory covered trellises. The hallway to the gym was completely covered with black fabric and lights, which took a very long time. Also, Grace Douglas did an amazing job with helping to hang the lights from the chandelier in the gallery. All together Prom Build was really fun because everyone worked together and made it enjoyable. Everyone was rewarded the next night when they showed up at Prom and it truly looked like a scene right from the movie. The Seniors loved it and everyone had a wonderful night.

Happily Ever After

The Harpeth Hall Prom 2007 theme was Ever After inspired by the movie starring Drew Barrymore. The Junior class put all of their time and energy into transforming the gym into an enchanted ballroom. The McMurry Center was not even recognizable due to their hard work and creative ideas. Stormy Warren presented the seniors, student council, and a representative from each grade at presentation. The freshman class representative was Lexi Gregg. The sophomore class representative was Sara Stengel. The junior class representative was Kate Zerfoss. The senior class representatives were Kate Sangervasi, Margaret Roberts and Jessica Lavender, who was named prom queen. DJ Rick provided the music for the evening.

Pop in for the Party

This past year Harpeth Hall had a Halloween Dance and a Singled Out game show. At the Halloween dance everyone showed up in costumes that ranged from girls in cheetah costumes to Wrigley's Double Mint twins. Although the best costume award goes to the senior babes, everyone showed up in colorful, interesting costumes. Later that year, the student council put on a "Spring Fling" dance called Singled Out. In Singled Out, one representative from each grade narrowed down a group of girls or boys to find their own spring fling. Singled Out had a tropical theme that put people in the mood for spring break. Everyone enjoyed both of these Harpeth Hall events put on by student council.

Dancin' With Dad

Every April Harpeth Hall hosts the Father-Daughter Dance on Nashville's General Jackson Showboat. Girls in eighth through twelfth grade attend and can bring their Father or a special friend. Every girl and father looks forward to a night of fun, dining and dancing. After boarding at seven o'clock, the guests have time to walk around the deck while taking pictures of everyone together in their sundresses and suits. Once everyone was seated at candlelit tables, an amazing meal was served. Rachel Styers, a junior, says "The oreo cheesecake was the best thing I have ever had in my life!" After dinner was over, the dads and their daughters broke it down to some Oldies songs played by the excellent jazz band. If the girls and their fathers became tired they could go out onto the deck and enjoy a beautiful setting on the Cumberland River. Although the night had come to an end, the memories made will be cherished by all of the guests who attended.

What could be more fun than Middle School?

The Harpeth Hall Middle School is constantly buzzing with excitement, not only before and after school, but also during school! Thanks to the innovative lessons created by our enthusiastic faculty, students learn through a variety of fascinating projects and field trips. Another middle school favorite is the overnight class trip taken by each grade. These trips teach valuable lessons of leadership and teamwork, as well as providing time for the girls to bond with their classmates. And of course, middle school girls also enjoy their invaluable free time to just let loose and have a little fun!

Glorifyin' George!

A chance to act out history was given to the seventh grade students during their presentation of George Washington Day. This year the girls celebrated Washington's 125th birthday. This event has been a significant tradition for Harpeth Hall since the 1920's at Ward Belmont. Every member of the class participates in this festivity as either a sailor, a minuet dancer or a soldier. Two eighth grade students are nominated to play the role of Mr. and Mrs. Washington. This year the seventh graders chose Griffin Saunders as Martha Washington and Madison Longmire as George Washington to be honored during the celebration. The girls work hard for many months to put on an elaborate celebration each year and do a great job.

Poppin' All Over Campus

Whether students were busy sending a mouse on a test flight through Bullard Gym in Fun with Flying Machines, dressing up a guest room for Designing Women, or solving crimes with chromatography techniques in CSI, on campus Winterim this year proved to be one of the best ever experienced. Every class was fantastic, with this year's votes for overall favorite going to Service Learning and Women in Finance. Along with enjoying their own unique classes, students were given the chance to see what the rest of the school was up to with a couple of fun-filled musical performances. The first assembly treat featured the African Drumming class decked out in appropriate costume and soliciting audience participation during a wild song using "boomwackers." As if that wasn't enough, the songwriting for Guitar class took the stage the following week with a surprise performance from the beloved Male Posse that clearly warranted a standing ovation. All in all, Winterim this year was a great experience for students and teachers alike.

Poppin' Up all over the World

Juniors and Seniors were given the opportunity during Winterim to go off campus for their studies. Some Juniors and Seniors interned in Nashville, while others traveled around the state, country, and the world. For example, a group of sixteen Juniors traveled to Washington D.C. for internships on The Hill and around the city. Three Juniors and sixteen Seniors traveled to New York City, where they embarked on new and exciting internships in the Big Apple. Seven students traveled to South Africa. As Junior Mary Lu Noah said when describing her trip, "Our trip to South Africa opened our eyes to a new culture far different from our own." As Senior Laurie Spradley said, "Off campus Winterim is a great way to spend time with classmates and experience new places." A new trip was offered this year to Japan, and it was a huge success! Other opportunities included traveling to England, Greece and Italy. These trips all had great reviews and the students learned a lot while having fun.

Powder Puff

A sense of family is something that is important to the Harpth Hall community. This was not only shown through the friendly rivalry at powder puff, but was also prevalent when the Student Council decided to split all the procedes evenly between three different causes, each connected to a different girl and her family, nicknaming the event "Brothers for Brothers." The first cause was Caitlin Anthony's brother, Eric Volz, who was wrongly acused of murder and is currently serving time in a Nicaraguan penetentary. The second is Team William, a program at Vanderbilt in honor of Anna Spickard's brother, which helps children with Down Syndrome learn to read. The rest of the money was donated to the Angelman Syndrome Walk-a-thon, which was put on by Rae Ellen, Rosie and Lena Bichell in honor of their brother, Louie, who has Angelman Syndrome.

It was a fun afternoon filled with carefully crafted plays by both teams, lots of encouragement from the cheerleaders and an entertaining half time show put on by the freshmen and sophomores. Within the last few minutes of the game the juniors were able to tie it up, putting the game into overtime. Unfortunately, the day ended a little more bitterly for the seniors, as the juniors claimed a one-point victory. No worries though, the sophomores are up to the challenge and already preparing to beat the Class of 2008 next year!

Almost Alumnae

The Almost Alumnae Luncheon was filled with joy, tears and memories as the Class of 2007 gathered with their mothers and a handful of alumnae grandmothers to celebrate this special time. It was not only a day to celebrate the upcoming graduation, but to celebrate the mothers who have helped each girl get there. The Luncheon included a speech by Kate Sangervasi expressing the seniors' gratitude towards their mothers. She says, "Mom, thank you for instilling morals in me and teaching me the importance of individuality. You have taught me to stand up for what I believe in instead of following the crowd. You have always been involved in my life and my school, and for that I will be forever grateful." Kate asked a few of her classmates about their moms and shared their replies with the room, bringing many to tears. Octavia Obolensky said, "The greatest compliment I've ever received is that I look more and more like my mom everyday. I hope I get some of her patience and strength too. I'll miss our talks in the mornings over breakfast and our car rides and how she still tucks me in at night even at 17. She's my best friend." All of the Harpeth Hall mom's have been an integral part of each senior's success. Not only their own mom, but the supportive mom's of classmates. This class was lucky enough to have four of their mom's working on campus daily, and countless mom helping out whenever needed. The lunch ended with each mother receiving a letter from their daughter expressing her gratitude. Thank you to all the mothers of the Class of 2007! We love you!

Senior Prank

This year's senior class ended the year with a bang. Starting weeks before, the girls met in secret to discuss ideas and plans for prank day. Finally the day came to set up for the prank. The girls arrived the night before and, with the guidance of Ms. Emily Cummings and Ms. Fran Maddox, prepared for the big day. This was a great bonding experience for the girls as they worked together to create a fun prank, without going overboard. This task proved to be difficult due to the brand new building which they did not want to ruin. This entailed purchasing hundreds of zip-ties and rolls of Saran Wrap and thousands of balloons and plastic cups. The night was filled with excitement as the girls set-up, roller bladed down the halls, and took the occasional picture with Mrs. Maxwell's camera. The next day the seniors arrived extra early at school all fired up for their last day of "classes." The bond girls greeted each underclassman with water balloons and ushered her into pitched tents where her face was decorated to resemble a clown and her shoes were taken from her. Pandemonium broke out as the underclassmen and teachers tried to make their way to class only to discover stacks of chairs blocking the hallways and stairways filled with cups. As the day progressed, each girl was allowed to go searching among the piles of shoes for her own and was then treated to a concert on the lawn as she enjoyed her picnic lunch. All in all the day was a huge success as could be seen by the many smiling faces around campus.

Soakin' Up the Sun

Awards Day is a favorite Harpeth Hall tradition, provided the weather cooperates! Indeed, it was beautiful this year, as Freshmen through Seniors gathered with the faculty to soak up some rays. Everyone was delighted for their outstanding classmates, who were honored with awards. The awards recognize a variety of talented and admirable students from braniacs to leaders to amazing friends. Below are some highlights:

Head's Award.....Rebecca Barden

Director's Award.....Kate Sangervasi

Elizabeth Pope Evans Awards.....Catherine Higham, Annie Killian, Cameron Neely, Ashley Ramsden, and Kaitlin Ray

Idanelle McMurry Award.....Becca Hill

Step Singing

Step Singing is a Harpeth Hall tradition that was adopted from Ward Belmont. The celebration is held Sunday evening before graduation. The celebration is the formal passing down of the leadership of the school from the graduating Senior class to the rising Senior class. Both the graduating Seniors and the rising Seniors choose songs to sing honoring each other. The graduating Senior class elects a speaker for the ceremony; this year they chose country music singer, Lari White. Finally, the Lady of the Hall and her court are honored during this wonderful celebration.

Middle School Honor Day

Parent and grandparents, brothers and sisters alike gathered in the auditorium for a welcomed break from what promised to be a very hot day. It was pure sunshine inside, however, as 77 beaming eighth graders processed down the aisles. Rebecca Sanders, the eighth grade speaker, described her classmates as friendly, bold and intelligent. Betsy Malone spoke about the inquisitiveness of the Class of 2011, and the fact that they are not afraid to ask "Why?"

Breaking Free

May 28th was a special day for the Class of 2007 as it was the last day they could call themselves Harpeth Hall students. That's not to say they are no longer a part of the Harpeth Hall community, but they now take on the role of alumnae, and maybe even one day a faculty member. Commencement began at six o'clock and the sun set as the girls said goodbye to the familiar days as high school seniors, preparing to embark on a journey for which Harpeth Hall has prepared them well. As Mary Tek, chosen by her classmates to speak at graduation, reminded us that this graduating class was known to push envelopes. From day one, literally, this class had their own agenda and never let anyone slow them down. While this senior class has come a long way from their criminal days of breaking into pools on the freshman retreat, their enthusiasm is still the same. Except now they are using that passion to create new fund-raisers and make changes where they see fit in the school community and beyond. This senior class was a strong one, bonded (no pun intended) together from the beginning by their passion and free spirits. Their graduation song describes it best as this class prepares to "break free."

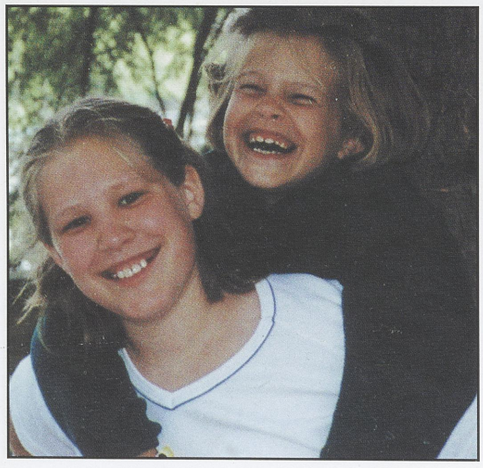
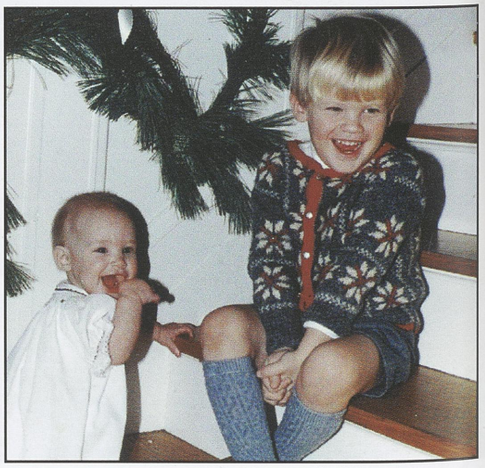
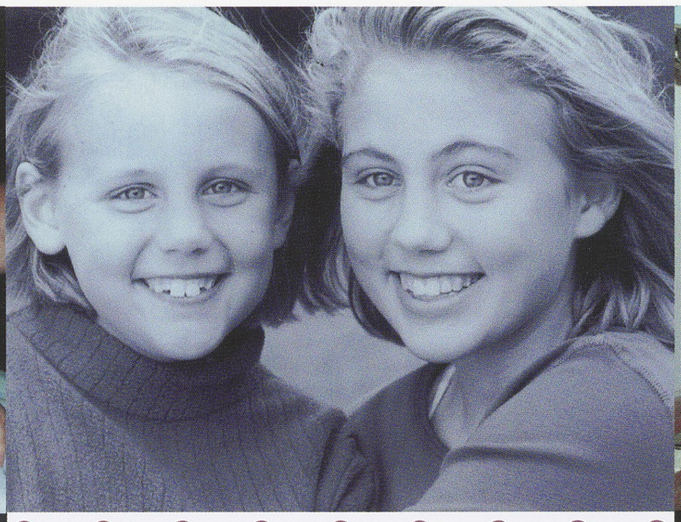
you learn as you go"
-John Michael Montgomery

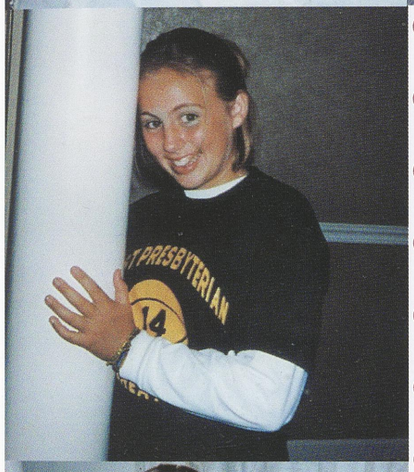
Dearest Katherine,
You have learned "the dance" with style and grace. You brighten our lives with your smiles, your laughter, and your loving care.

We love you!
Mom, Dad, Charlie, and Eliza









The Lord bless you and keep you!
The Lord make His face shine upon you,
and be gracious unto you;
The Lord lift up His countenance upon you,
and give you peace.

WE ARE SO VERY PROUD OF YOU!

With much love,
Mom, Daddy and Eliza

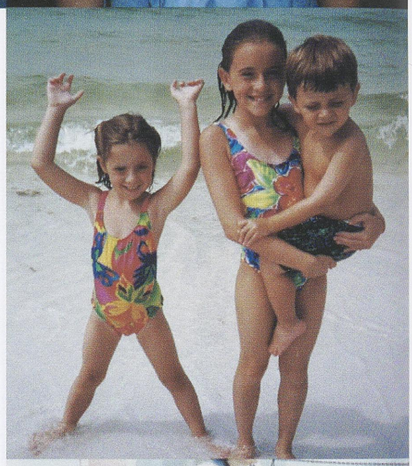
Sweet Caroline-

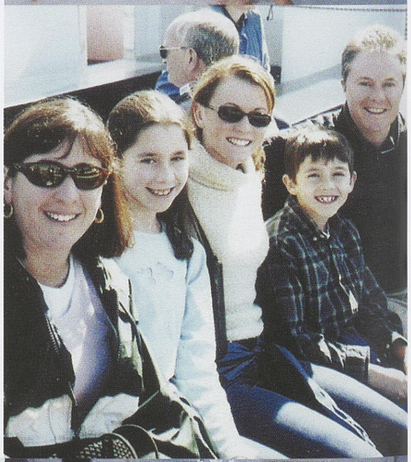
We can't believe you are graduating from high school.

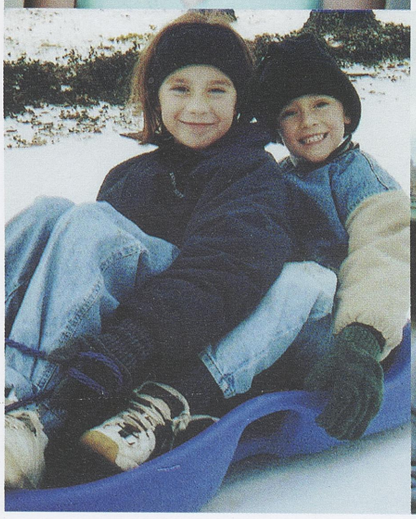
Where has the time gone?

Congratulations as you dance into your future!

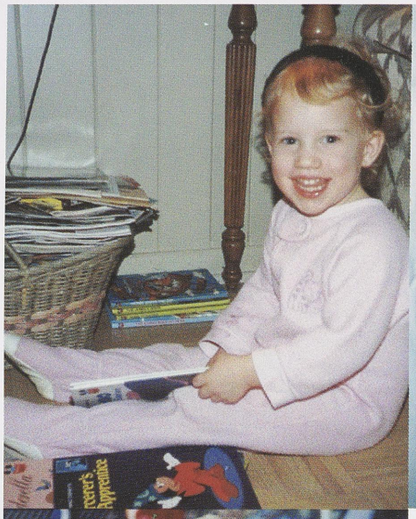
We love you very much!
Mom, Dad,
Lauren and Jack

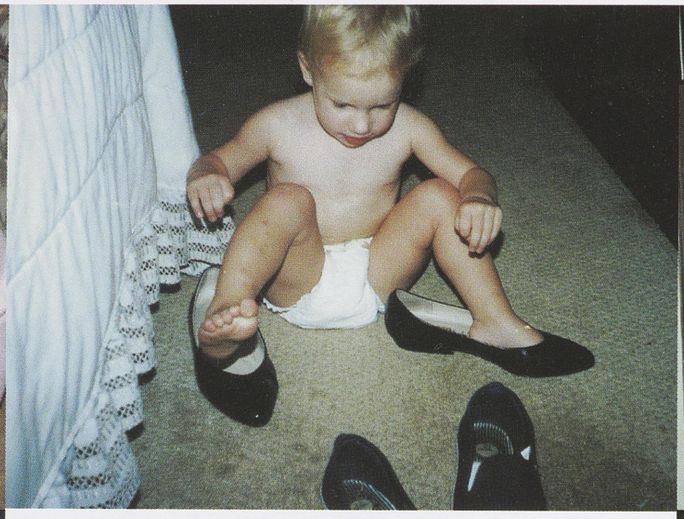


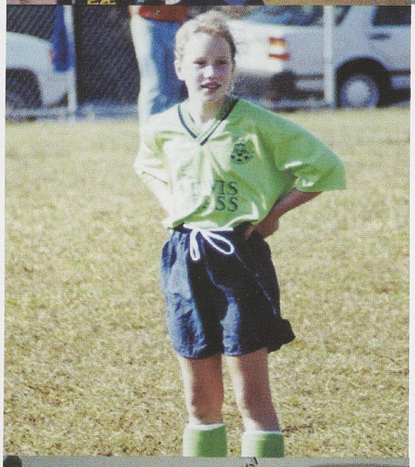




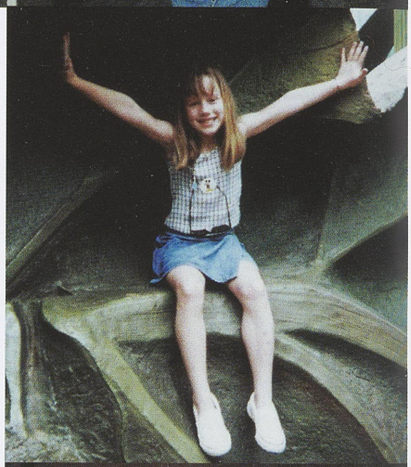
Dearest Claire, Congratulations!
We are so very proud of you. We love you very much.
Mom, Dad and Quinton

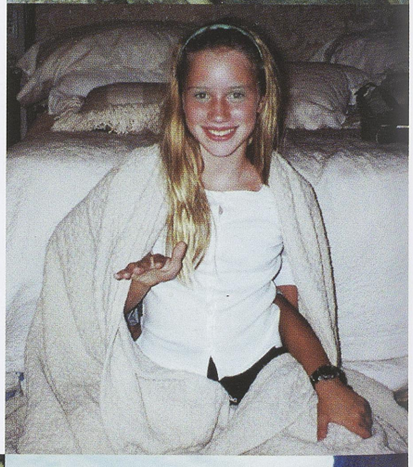


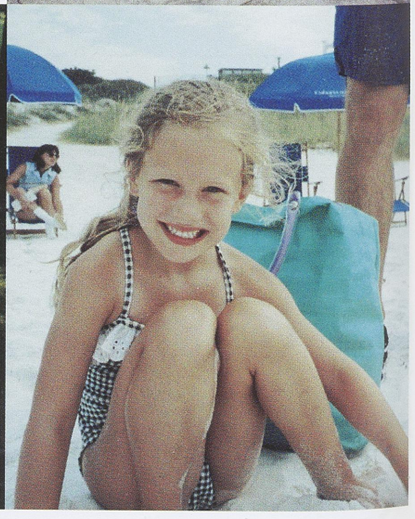




Olivia,
You are unique and special. Continue to be firmly established, steadfast, faithful, sure, reliable, ready, prepared, and determined. Keep your spirit, your style, your convictions, and that amazing smile. Let your choices be your own but choose wisely, especially in regard to time spent, associations kept, and of course footwear. We pray God's will for you will be a manifold return of the peace, blessings, and love you have brought to us. To Him be the glory; to you the joy.







"How far you go in life depends on your being tender with the young, compassionate with the aged, sympathetic with the striving and tolerant of the weak and strong. Because someday in your life you will have been all of these."

- George Washington Carver

We love you.
Dad, Mom and Clay

-Mames-

You are the sunshine of our lives. We admire and respect you greatly. We love you more than we could ever express on this one page. No matter where you go or what you do, you will always be our little girl. So we send you off with butterfly kisses, Eskimo kisses and real kisses!

xoxo, Mom and Dad

"Carry your candle, run to the darkness
Seek out the hopeless, confused and torn
Hold out your candle for all to see it
Take your candle, and go light your world"

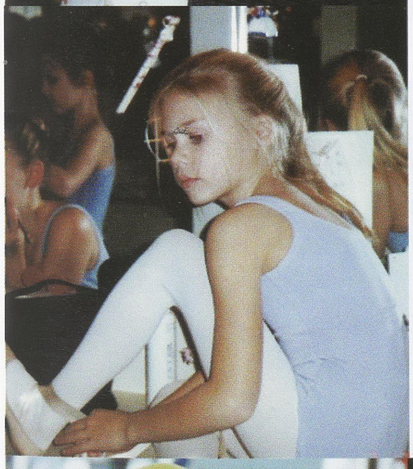
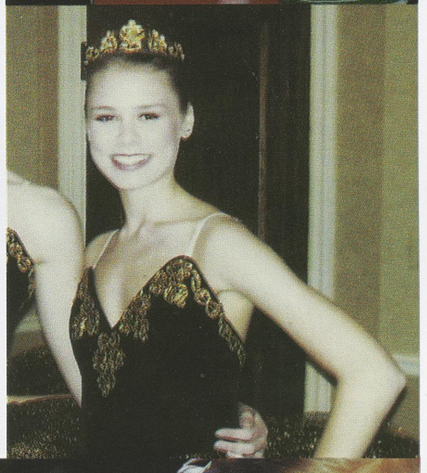
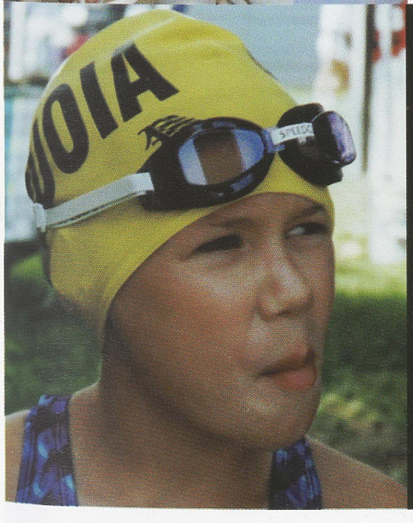
We love you sweet Mary Fowler (Baby Doll, Flower, Fary Mowler, Baby Girl, Doll Doll, Baby Doll Peedy)

Good night, sleep tight,
Wake up bright in the morning light
To do what's right, with all your might
Good night, good night.

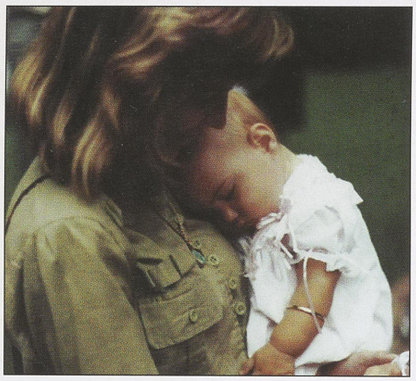
Mom, Dad, Molly, Lesley Ann, and Brandon





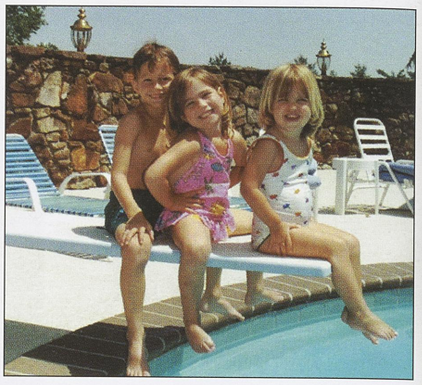


You stayed in our arms.



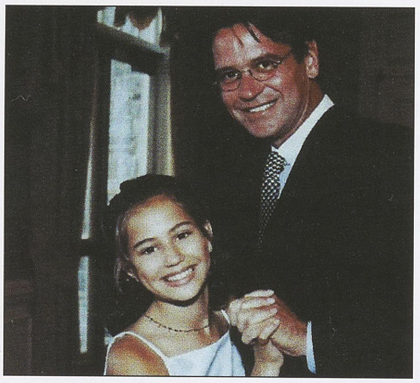
Our baby budda you were

Oh how you grew

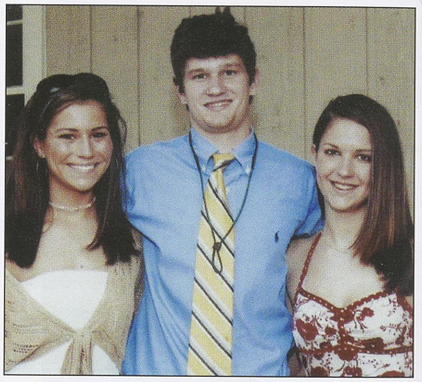


Then stepped out to shine

Then time slipped away

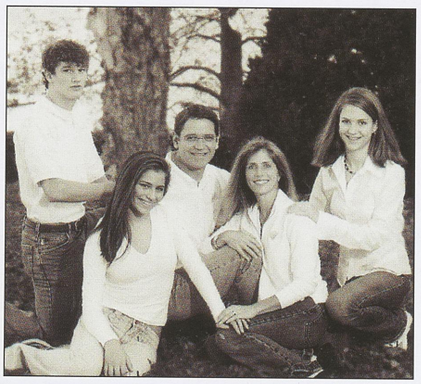


And time flew too



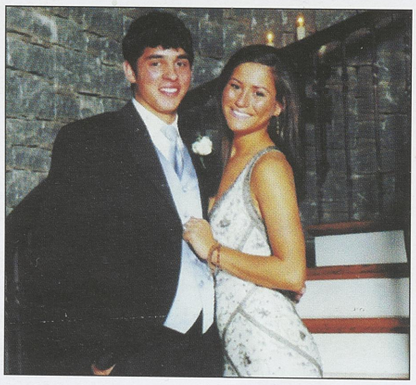
You scared them away

The next thing we knew

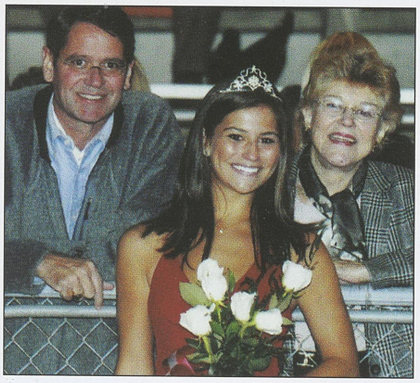


The next we knew

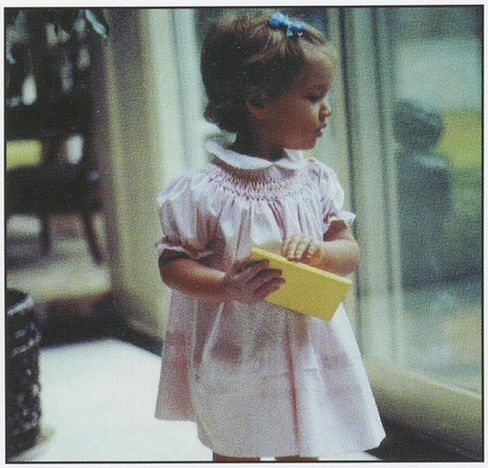
Then caught their eye



You were Queen for a day

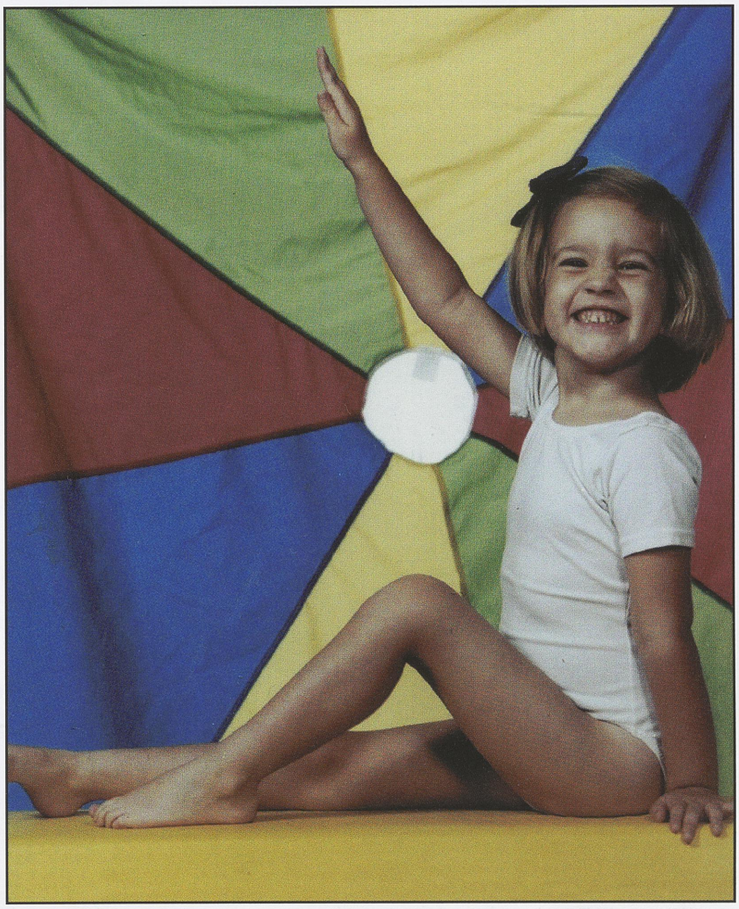


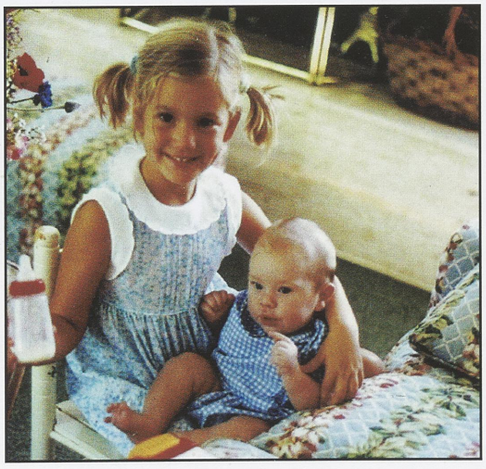
You were driving too.

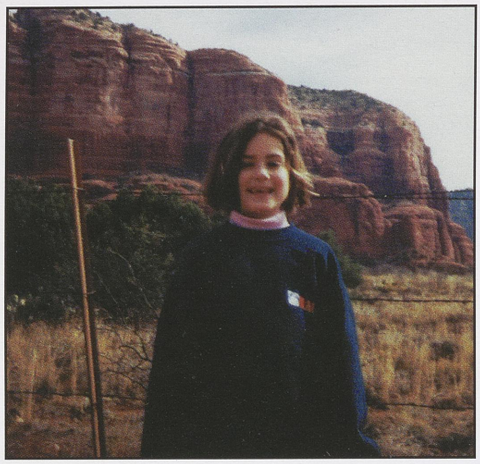


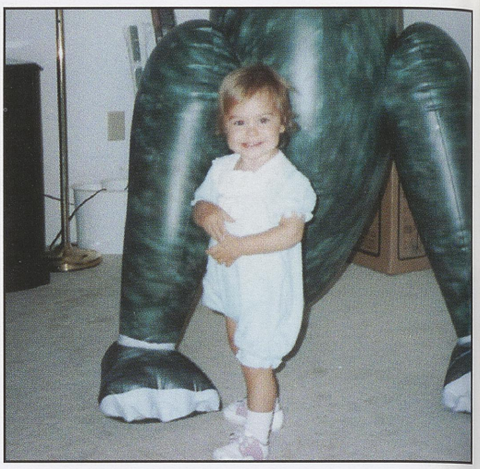
Congrats Eileen!
We love you baby
and we are so
proud of you!

Love,
Mom, Dad,
Ali, and Palmer





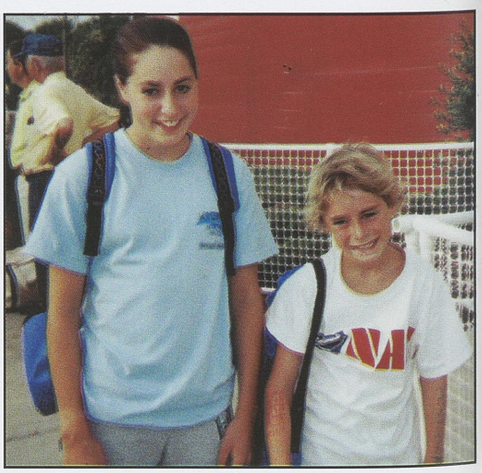


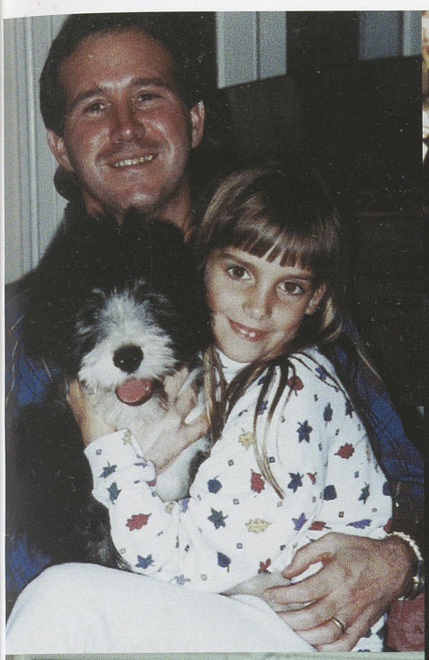


Ashley,

Words cannot express how much we love you and how proud of you we are.

Love, Mom, Dad, Tyler, and Tate





Congratulations,
Gabrielle.

We love you!

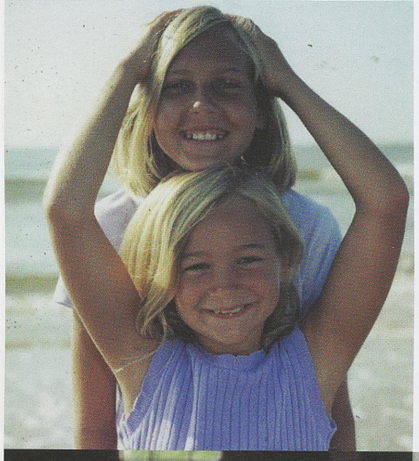
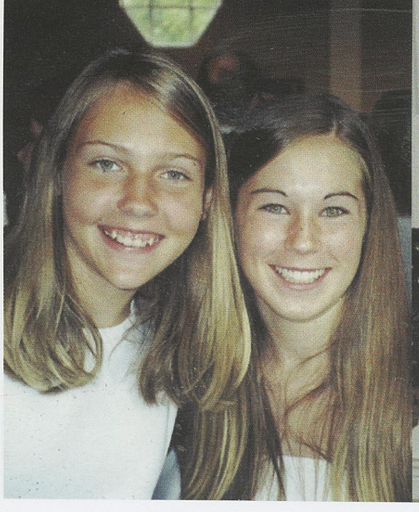
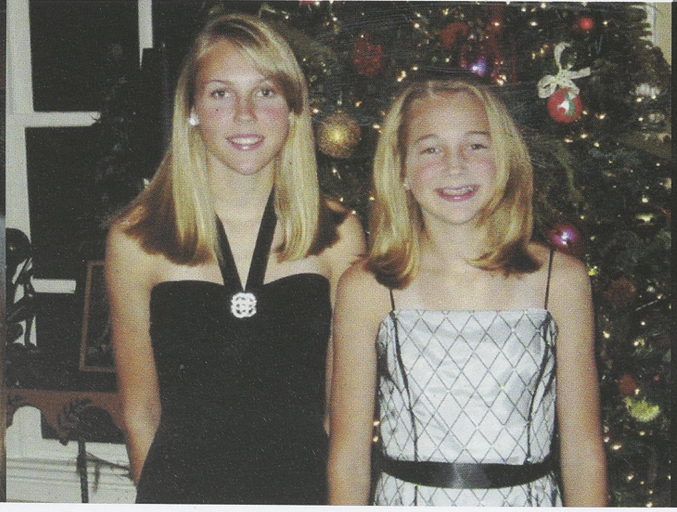
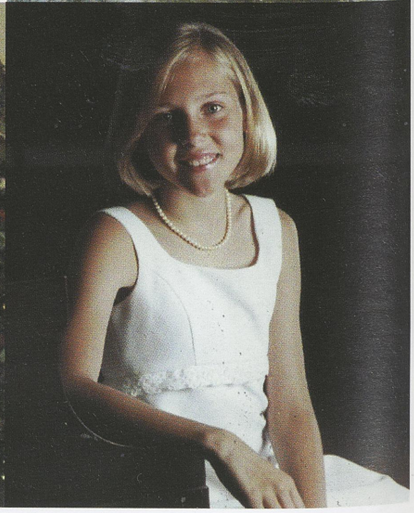
Mary Olivia,
You will never know
how much you mean
to us. Your sweet
spirit has blessed
our lives in so many
ways. Treasure these
memories for a
lifetime!

We love you.









Dearest Maggie,
We have given you your roots. It is time for your wings. You are ready! The world awaits you. As you reach for the stars, stay true to yourself. Trust your instincts. Hold tight to your dreams.

WE LOVE YOU!!

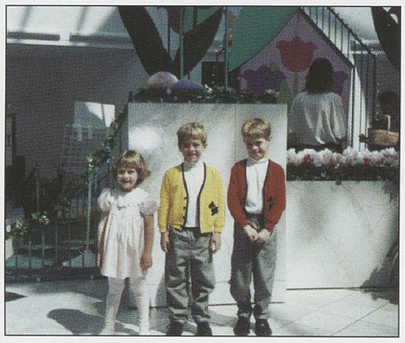
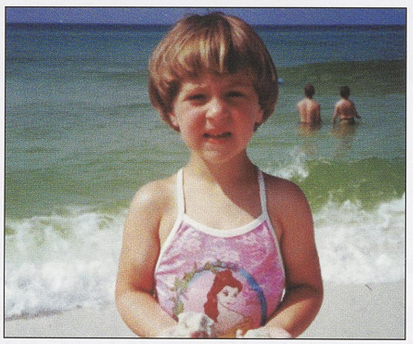
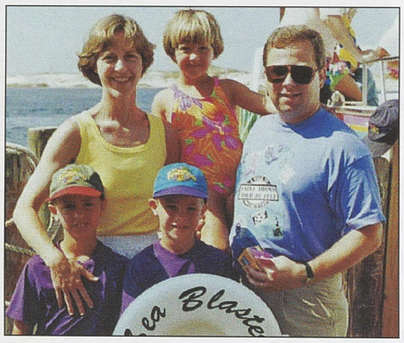
Once upon a time, not so very long ago,

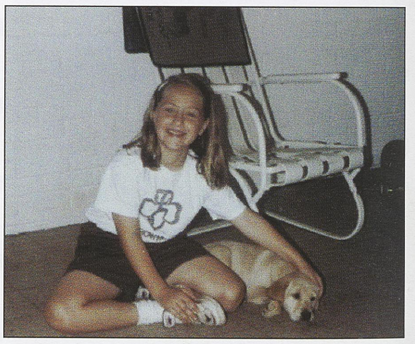
A little, bitty girl was born, and Oh, she blessed us so.



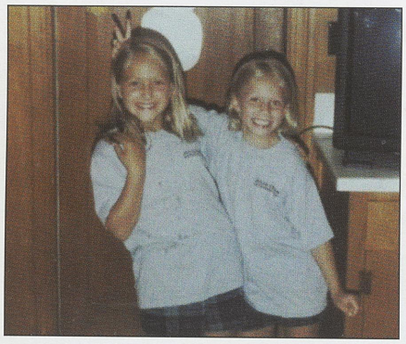


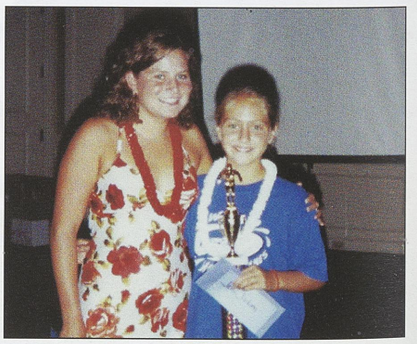
She filled our lives with laughter, with hopes and dreams and love.





We thank God for our little girl, our blessing from above.

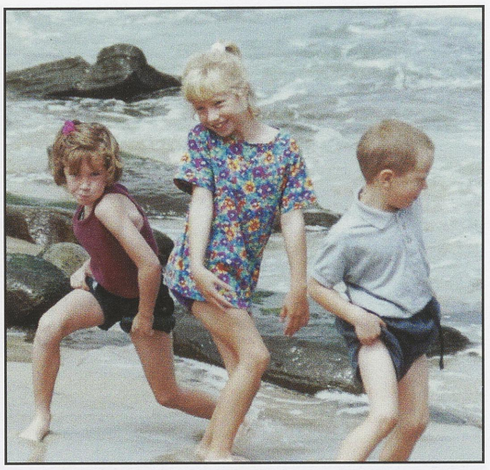




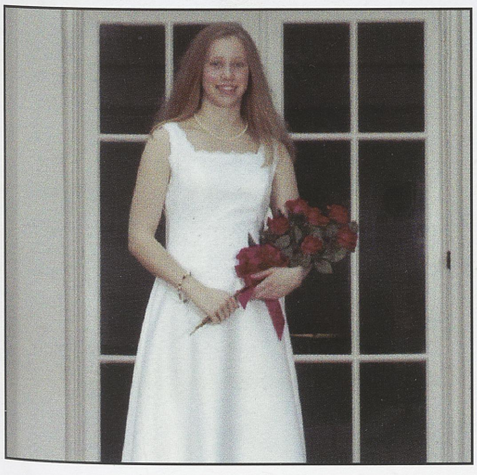
"It is only with the heart that one can see rightly. What is essential is invisible to the eye."
The Little Prince

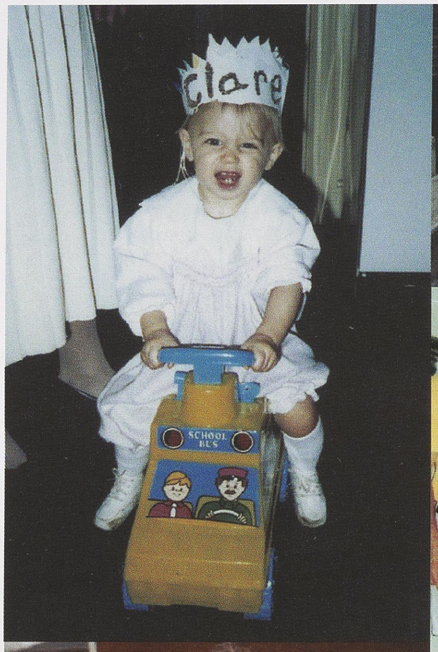
What your heart can see has made you a remarkable young woman. Your sensitivity, your sincerity, and your smile bring strength to the weary, warmth to the lonely, and sunshine to the sad. May that spark of love and kindness continue to light your path and those that you touch. No kindness is ever forgotten.

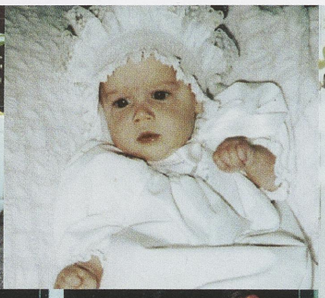
Congratulations, Janie! We are so proud of all you have done and who you have become.
We love you! Mom, Dad, Charlie, and Bryan

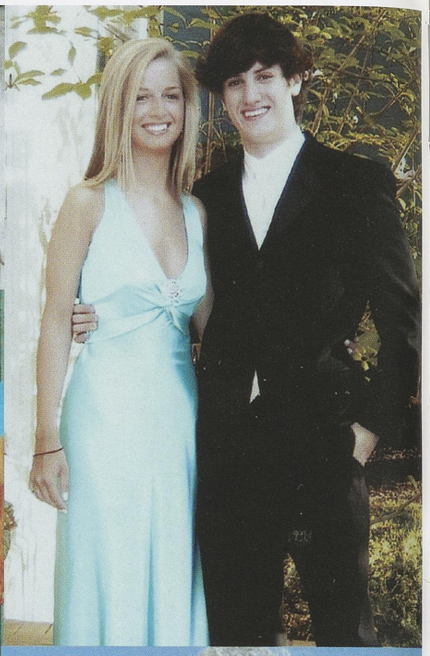


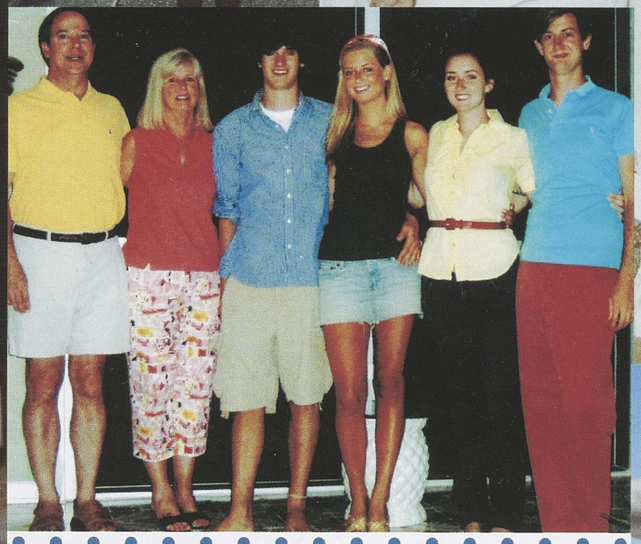
-Annie-
It has been a joy watching
you grow into a beautiful,
talented young woman.
You are firmly rooted.
Now it's time to spread
your wings and fly.
We love you,
Dad, Mom, Mary, Pat,
Bridget & Tresea











Be gentle. Be kind.
Enjoy life. Be tolerant.
Keep a sense of humor about yourself
and the rest of the world.
Work hard, but play hard too.
Believe in yourself.
Act on your convictions.
Be generous with your love.
Call home once a week.

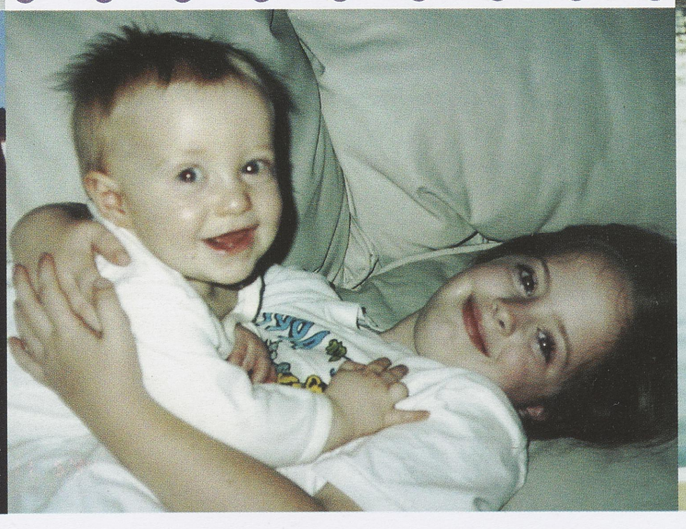
We love you so much!



May the road rise up to meet you.
May the wind always be at your back.
May the sun shine warm upon your face,
and rains fall soft upon your fields.
And until we meet again,
May God hold you in the palm of His hand.
An Old Irish Blessing

Good luck with your next journey.
We love you!
